TUITION/FEE POLICY

Tuition and other fees are necessary in order for Christian Academy to fulfill its mission of developing students with a heart for God. The school has contracted with FACTS Tuition Management Company for the processing of all tuition payments. In support of this, parents are expected to commit themselves to meet financial obligations promptly in accordance with Biblical stewardship and comply with the following policy:

The reenrollment fee is non-refundable unless for any reason Christian Academy does not readmit the student. If parents withdraw their student's reenrollment application for any reason, the fee is non-refundable.

Because the hiring of teachers and staff and the ordering of textbooks and other classroom materials are based upon enrollment, withdrawals are subject to the following obligation:

- | | |
|---|------------------------------|
| • Withdrawals after June 1 | - one-month's tuition is due |
| • Withdrawals after July 1 | - two-months' tuition is due |
| • Withdrawals after the start of school | - full year's tuition is due |

Parents are expected to pay tuition and fees in a timely manner, according to the current Schedule of Tuition and Fees. **Student records will not be released and no credit for a student's work can be earned unless all financial obligations are met.**

Tuition that becomes **two months past due** will subject the student to being withheld from attending school until such amounts due to Christian Academy School System are made current.

TUITION ASSISTANCE

Tuition assistance awards are based on the family's demonstrated need as determined by a third-party agency that makes financial needs assessments for private and Christian schools. Each award is made for one year only, based on the availability of tuition assistance funds.
