*The Christian Academy Story*

In 1976, Christian Academy began with 120 students in two rented church facilities and has grown to serve almost 3,000 students on four campuses (three in Louisville, and one in New Albany, IN). Throughout this amazing growth, God has provided different faculty and leadership with different gifts at different times, but always in His timing.

*Developing Students with a Heart for God*

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, **Spiritual, Intellectual, Social** and **Physical**, so that students are taught from solid, biblical principles to integrate God's Word into critical areas of their lives.

*Accreditation*

Christian Academy of Indiana is accredited by the Association of Christian Schools International (ACSI), North Central Association of Colleges and Schools/AdvancED and by the State of Indiana.

All Christian Academy of Indiana teachers are certified as required by the State of Indiana and hold at least a Baccalaureate Degree, with more than 70% achieved either a Masters or Doctorate level degree.

Christian Academy of Indiana is also a proud participant in Indiana Choice Scholarship Program.

INDIANA CAMPUS

**CHRISTIAN ACADEMY  
OF INDIANA  
Jr. Academy - Grade 5**

1000 Academy Drive  
New Albany, IN 47150  
(812) 944-6200

Monica Allison, *Principal*  
Amber Cook, *Asst. Principal*

**Enrollment**  
Jr. Academy - 159 students  
Elementary - 370 students

**The Terra Nova Test**  
Christian Academy School System administers The Terra Nova Test, the most current and widely recognized national standardized test. Christian Academy students in grades K-8 consistently score above the national average on standardized tests.

*Elementary Program Overview*

**Curriculum**

The elementary curriculum holds students to the highest standards and challenges all students to use their God-given abilities to achieve their learning potential. The elementary language arts and mathematics programs foster critical thinking and life application. Language arts is centered on a strong foundation in phonics, and explicit instruction in comprehension and writing. Mathematics and STEM instruction is focused on developing conceptual understanding, procedural knowledge, and problem solving ability.

**Special Areas**

All students participate in five special areas each week consisting of Art, Music, Library, Technology and Physical Education.

**Highlights**

Daily Bible instruction and weekly Chapel times help our students develop a Christian worldview and love for the Lord Jesus Christ.

*Middle School Program Overview*

**Core Courses**

Middle School students have the opportunity to engage in classes in Bible, literature, English, math, history, geography and science, which incorporates Project Lead the Way. The nation's leading STEM program.

**Elective Courses**

Christian Academy offers elective courses in art, band, choir, computer, spanish and physical education.

**Sports**

Students may participate in Archery, Baseball, Basketball, Cheerleading, Co-Ed Cross Country, Golf, Soccer, Softball, Tennis, Track & Field and Volleyball at the middle school level.

**Extracurricular Activities**

Students may participate in Student Council, Beta Club, eighth grade retreat, service projects and multiple other clubs.

**Highlights**

Daily Bible instruction, weekly Chapel times and student Bible studies are integral to our mission of developing students with a heart for God.

Students in grades 3-8 and 10 take the Indiana Statewide Testing for Education Progress (ISTEP), an assessment tool for evaluating students' success in math, English and science. On this test, Christian Academy of Indiana students score exceptionally well compared to state standards.

High School - 236 students

*High School Program Overview*

**Graduation Requirements**

The **Core 40 Program** includes coursework required by major colleges and universities. The **Core 40 with Academic Honors Program** provides a challenging course of study for top students and includes courses that offer the opportunity to earn college credit while at Christian Academy of Indiana. Sixty hours of community service are required for graduation.

**Basic credit requirements for both diplomas:**

- |                           |                                |
|---------------------------|--------------------------------|
| Bible (8 credits)         | Social Studies (6 credits)     |
| Language Arts (8 credits) | Health & Safety (1 credit)     |
| Science (6 credits)       | Physical Education (2 credits) |
| Mathematics (6 credits)   | Electives (6 credits)          |

Additionally, five credits of directed electives (Foreign Language, Fine Arts or Career/Technical) are required for the Core 40 Program.

The Core 40 with Academic Honors Program requires 6-8 Foreign Language credits, two additional math credits and two credits of Fine Arts. Students earning the Core 40 with Academic Honors diploma must earn a "C" or above in courses that will count toward the diploma, and a grade point average of 3.0 or above and meet additional requirements through AP courses, dual credit or SAT/ACT scores for a total of 47 required credits.

**Dual-Credit Program**

Students may take courses from an Indiana college or university for high school credit. GPA for post-secondary/AP credit is on a 5.0 scale. Several courses earn dual credit through Ivy Tech Community College.

**Honors Courses and Advanced Placement Courses**

English, Biology, U.S. Government, Physics, Medical Interventions, Spanish III, World History, U.S. History, Algebra I & II, Geometry, Economics, Pre-Calculus, Chamber Singers and Advanced Concert Band are offered as honors courses. Advanced Placement courses are Biology, Calculus, Computer Science, English Language and Composition, English Literature and Composition, European History, U.S. History and U.S. Government.

**Program Highlights**

Christian Academy students have the opportunity to participate in daily Bible instruction, weekly Chapel times, domestic and international missions trips and community service projects. Students also have the opportunity to participate in extracurricular activities including Choir, Band, Yearbook, Drama, Archery, Student Council, Spanish Club, National Honor Society, Spanish National Honor Society, retreats and other clubs and class activities. Our courses also offer a four-year STEM program in biomedical science.

**Technology**

Over the years, we have embraced digital projectors, laptop computers and SMART Boards, which have greatly enhanced the learning experience for students and teachers alike. All students entering high school at both our English Station and Indiana campuses receive an iPad.
