

English Station Junior Academy

The Christian Academy Story

In 1976, Christian Academy began with 120 students in two rented church facilities and has grown to serve over 3,000 students on four campuses in Louisville and Southern Indiana. Throughout this amazing growth, God has provided certain people with different gifts at different times, but always in His timing.

Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, Spiritual, Intellectual, Social and Physical, so that students are taught from solid, biblical principles how to integrate God's Word into critical areas of their lives.

SCHOOL SYSTEM
education with a Higher purpose

Christian Academy School System admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally made available to students of this school. It does not discriminate on the basis of race, color or national ethnic origin in the administration of its educational policies, admission policy, scholarship and loan programs, athletic and other school-administered programs.

Program Highlights

We seek to provide a loving, Christian environment with Christian teachers who celebrate the individuality of each child and recognize each as a precious gift created by God.

Children have the opportunity to engage in a variety of learning centers throughout the day. Each week there is a different thematic unit in the classroom. The theme is carried out through the centers as well as individual activities such as art, crafts and music. The children also have the opportunity to spend time with their teachers by working in small groups in the area of letter recognition, handwriting, math and science.

Each morning there is circle time where children engage in calendar, pledges, Bible story and songs. Children have daily time scheduled for gross motor play either in our gym or outdoor playground.

We have weekly chapel service for all classes where the Bible story comes alive through song, Bible readings and Bible stories.

We believe in partnering with families to help children grow in wisdom, stature and favor with God and men. (Luke 2:52)

We are currently using the following curriculum:

- Scripture Bites
- Handwriting Without Tears
- Phonemic Awareness (learning that words are made up of sounds)

There are many opportunities for family involvement and participation with an active Parent Teacher Organization.

Program Certification

The English Station Junior Academy is a member of the Association of Christian Schools International (ACSI) and is licensed by the State of Kentucky.

Our teachers and staff participate in 15 hours of professional development every year which is centered around current trends in Early Childhood Education. Teachers and staff are also First Aid and CPR certified.
