Jeff Mallory,
Chief Financial Officer

The Christian Academy Story

In 1976, Christian Academy began with 120 students in two rented church facilities and has grown to serve almost 3,000 students on four campuses (three in Louisville, and one in New Albany, IN). Throughout this amazing growth, God has provided different faculty and leadership with different gifts at different times, but always in His timing.

Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, **Spiritual, Intellectual, Social** and **Physical**, so that students are taught from solid, biblical principles to integrate God's Word into critical areas of their lives.

Accreditation

Christian Academy of Louisville is accredited by the Association of Christian Schools International (ACSI) and the Southern Association of Colleges and Schools/AdvancED and is certified by the State of Kentucky.

All Christian Academy teachers are certified as required by the State of Kentucky and hold at least a Baccalaureate Degree, with more than 70% achieved either a Masters or Doctorate level degree.

Christian Academy School System admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally made available to students of this school. It does not discriminate on the basis of race, color, or national ethnic origin in the administration of its educational policies, admission policy, financial aid programs, athletic programs and other school-administered programs.

SOUTHWEST CAMPUS

Elementary Program Overview

SOUTHWEST CAMPUS Jr. Academy - Grade 5

8307 St. Andrews Church Road
Louisville, KY 40258
(502) 447-6500

Anna Carson, *Principal*

Enrollment

Jr. Academy - 66 students
Elementary - 136 students

Curriculum

The elementary curriculum holds students to the highest standards and challenges all students to use their God-given abilities to achieve their learning potential. The elementary language arts and mathematics programs foster critical thinking and life application. Language arts center a strong foundation in phonics, and explicit instruction in comprehension and writing. Mathematics instruction is focused on developing conceptual understanding, procedural knowledge and problem solving ability. Our STEM program incorporates mechanics, science and engineering projects designed to enhance problem-solving skills.

Special Areas

All students participate in five special areas each week consisting of Art, Music, Library, Computer and Physical Education.

Elementary Athletics

The Elementary Athletics program allows students in grades K-5 to develop skills and experience team sports. Athletics can help build community, get students active and teach interpersonal skills and self-discipline, all while honoring Christ.

Highlights

Daily Bible instruction and weekly Chapel times help students develop a Christian worldview and love for the Lord Jesus Christ.

Middle School Program Overview

Core Courses

Middle School students have the opportunity to engage in Bible class, Literature, Language Arts, Math, Science and History.

Accelerated Courses

Christian Academy offers accelerated courses in the following areas: Pre-Algebra (*7th grade*), Algebra I (*8th grade*) and Accelerated Introduction to Chemistry and Physics (*8th grade*). In addition, the Project Lead the Way STEM program offers project based learning in science and technology.

Special Areas

Art, Physical Education, Computer/Technology and Fine Arts (one class per quarter)

Sports

Archery, Basketball, Cheerleading, Cross Country, Soccer and Volleyball.

Highlights

Daily Bible instruction, weekly Chapel times and Student Bible studies are designed to be integrated into the school day and student life.

Technology

Over the years, we have embraced digital projectors, laptop computers and SMART Boards, which have greatly enhanced the learning experience for students and teachers alike.

SOUTHWEST CAMPUS Grades 6-8

8307 St. Andrews Church Road
Louisville, KY 40258
(502) 447-6500

Anna Carson, *Principal*

Enrollment

Middle School - 46 students

Christian Academy School System administers *The Terra Nova Test*, the most current and widely recognized national standardized test. Christian Academy students in grades K-8 consistently score above the national average on standardized tests.
