## Kingdom Education

Principle #3: The education of children and youth must have as its primary goal the salvation and discipleship of the next generation.

“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” Matthew 28:19-20

“So the next generation would know them, even the children yet to be born, and they in turn would tell their children. Then they would put their trust in God and would not forget his deeds but would keep his commands.” Psalm 78:6-7

“Christian parents must never forget that the only goal with true meaning for why we educate our children is for them to know Jesus Christ as their personal savior. As we assume our responsibilities to diligently teach our children God’s ways and we do this all day long, we must also strive to see them follow Christ in all they do.” (*Kingdom Education*, Glen Schultz)
