## Immediate Action Required!

Please complete the Student Medical Information in RenWeb for your child(ren) if you have not already done so. This information is for the school nurse and provides consent to treat any illness or injury sustained here at school. Upper school students must complete this form to authorize OTC medications like ibuprofen and acetaminophen. This is an important part of information that ensures the health and safety of our students.

To complete this form you must be on a computer (not a cell phone) and using Google Chrome or Firefox. Please log onto your account in [www.Renweb.com](http://www.Renweb.com) (our district code is CA-US), click on Web Forms under School Information and choose 2016-17 CAI Student Medical Information. Once you complete the form, click Save. If you need additional assistance, you can email the nurse at [ldriver@caschools.us](mailto:ldriver@caschools.us) or call her at 812-944-6200, extension 5021. Thank you so much for your attention to this very important matter!

# Elementary News

**Chapel-**Mrs. Cindy Schultz, grandmother of Clara Hardesty, shared with us that we are called to love our neighbors even when we do not feel like it. She challenged our students to think about this question every morning, "How will you show your love today?" We heard a piano selection from Leyden Pavlica in our 3rd-5th grade chapel.

**Grandparents' Day Decorations-**We are collecting empty, clean cans for Grandparents' Day decorations. There are boxes in the elementary foyer for your donations.

**Lost and Found-**Our lost and found is overflowing. Please check the table in the foyer on Monday for any items that may belong to your child. **PLEASE** make sure your child's lunch box, sweaters, sweatshirts, and jackets are labeled with their name.

**Next week's lunch will be week 3**
