Principle #5: The education of children and youth must hold Christ preeminent in all of life.

“In whom are hidden all the treasures of wisdom and knowledge.” Colossians 2:3

“So then, just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness. See to it that no one take you captive through hollow and deceptive philosophy, which depends on human tradition and the basic principles of this world rather than on Christ. For in Christ all the fullness of the Deity lives in bodily form, and you have been given fullness in Christ, who is the head over every power and authority.” Colossians 2:6-10

“Because of the sacrifice Christ made on the cross on behalf of all men and in humble obedience to His Father, His name has been exalted above all other names. In fact, the Bible states that Jesus not only created everything but everything was created for Him. Christ is to be preeminent in everything – period. The education of our children and youth must be centered on Christ. By doing this, it will lead us to the goal of seeing our children living in a personal, intimate love relationship with Jesus. Christ must be at the center or heart of all we teach our children. ” (*Kingdom Education*, Glen Schultz)

Elementary News

Chapel-This week we enjoyed a combined chapel. Mrs. Kim Wigginton shared her talents with us through a chalk drawing. She shared how the cross and Jesus' resurrection was a surprise to His followers, and how He continues to surprise us with His love. She then challenged us to look for God's surprises in our lives and to be His surprise in the lives of others. We heard piano selections from Anna Nash and Faith Schultz. Next week Miss Rosbottom's and Mrs. Doherty's classes will present chapel.

Testing-Grades 3-5 will begin ISTEP and Terra Nova testing on Monday, April 17. Grades K-2 will begin Terra Nova testing on Monday, April 24. Please make sure your student is well rested, on time, and gets a good breakfast.

Next week's lunch will be week 1.

Dr. Danielle Periago shared a dental health presentation with our 3rd grade students.
