Traffic on Campus

Parents, we are aware that over the past few weeks it has taken longer to exit the campus at Grant Line. We have been told by the city that there is a current issue with a few of the stop lights syncing with each other and they are trying to resolve the issue. In the meantime, please consider arriving to campus 5-7 minutes earlier than you normally do. This will space out our traffic pattern for ease through carpool.

HS/MS News

Our senior art students have been hard at work on an exciting new project. They each were given a ceiling tile on which to create, and the tiles will be installed above the hallway outside the art room. Each year, the senior art students will add their mark, and we look forward to the whole ceiling being covered in student work! Picture below is a sampling of work in progress. The tiles should begin to be placed next week, so be sure to take a stroll down the hallway to admire them!
