Kingdom Education

Principle #10: The education of children and youth must have a view of the future that includes the eternal perspective.

“Since, then, you have been raised with Christ, set your hearts on things above, where Christ is seated at the right hand of God. Set your minds on things above, not on earthly things.” Colossians 3:1-2

“Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.” Colossians 3:23-24

“Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.” Matthew 6:19-21

“God places a two-fold calling on every child’s life. The first and most important call on a child’s life is an eternal call. It is God’s desire that each child come to know Jesus Christ as his personal Lord and Savior. The second call is a temporal call. This involves God’s call for a person to live a life of service to Christ while here on earth. The education of children and youth must not only prepare them for a life of service here but also to stand before God for eternity. This eternal perspective must be part of the entire educational process. It is very natural to focus only on this temporal life when it comes to education. But if this is the only focus of education, then individual success will be measured in temporal financial achievement.” (*Kingdom Education*, Glen Schultz)

Earlier this year, our middle school social studies students participated in Water Project, and thanks to them, we just received word that a community in Kenya now has clean water to drink! The construction is finished and the water is flowing. We are so blessed by our students' hearts to serve as we share the love of Christ to those across the world. If you would like to read about the project you can visit: <https://thewaterproject.org/community/projects/kenya/spring-protection-wash-project-4700>. If it asks for a donation code it is: 55650.
