Accelerated Reader

Our students had fun "spending" their points at the Accelerated Reader Awards Store this week. We are excited to report that for the 12th year in a row, we had 100% participation of all students in 2nd-5th grade. We set a record this year with the most students who earned 100 points or more with 49 students reaching this level! Thank you Mrs. Hock and all of your volunteers for making this a fun event!
