

Christian Academy of Indiana
2017-2018 PIANO LESSON INFORMATION
Registrations are due by Monday, July 31

LESSONS

The purpose of this program is to extend students' music education and appreciation by exposing them to the world of good music through piano instruction. A minimum of 32 weekly 30-minute lessons, scheduled through the Elementary Office and beginning the week of August 7, are scheduled according to each student's academic schedule. Students are scheduled on a first-come-first-served basis as classroom schedules permit. Students will be responsible for remembering day and time of lesson, bringing lesson books and materials, and preparing for each lesson. To be accepted into the program, **a student must have a piano or electric keyboard at home.**

COST

A **non-refundable fee of \$60 per student** will be invoiced through FACTS Tuition Management upon Business Office receipt of your student's application. This fee is used for the purchase of method books and sheet music. **Lesson cost per year is \$585 (\$65 per month)**, invoiced and paid through FACTS September-May.

ATTENDANCE

Lesson dates coinciding with holidays or scheduled school closings will be rescheduled. In addition, teachers make every attempt to reschedule lesson dates for which student is absent from school or otherwise unable to attend. Extra lessons may also be scheduled for students playing duets, preparing for recitals, or mastering challenging areas of instruction. There is no extra charge for these lessons.

WITHDRAWALS

A one-month written notice is required for withdrawals prior to the end of the school year. Opting in and out of the program is not allowed.

RECITALS

All CAI piano students are **required** to participate in the year-end recital, May 22, 2018, at 6:30 PM. Students are also encouraged to participate in chapel programs, classroom devotions, and church and community functions as opportunity arises.

PROGRESS EVALUATION

Progress folders, containing weekly assignment sheets and practice records, are issued at the beginning of the year and brought to each lesson. A certificate of achievement will be presented at the year-end recital for consistent and documented practice.
