

June 2018

Dear Parent(s)/Guardian of New 6th Grade Students,

Welcome to middle school at Christian Academy of Louisville! As your child enters 6th grade, it is a state law requirement that their health record be updated. I have indicated below the items you will need to update for 6th grade:

1. **Preventative Health Care Examination Form** – A **NEW** physical is required for 6th grade admission. This physical must be on the Kentucky Department of Education School Physical Form. Please note, this is **NOT** the same form that is used for athletics. The correct form for your child's school health record is available at your physician's office.
2. **Kentucky Immunization Certificate** - There are specific immunization requirements for 6th grade. Your child may or may not have had these immunizations. We recommend that you discuss the following immunizations with your physician as they are now required and must be listed on the certificate. They are as follows: **1 dose of Tdap, 1 dose of MCV or MPSV, and the NEW Hepatitis A requirement (this is a 2 dose series, 6 months apart)**. We need a current and up-to-date **Kentucky** immunization certificate (we cannot accept certificates from other states). It must be signed by the physician and have a valid expiration date.
3. **Birth Certificate** - A **photocopy** of the **state issued** birth certificate (hospital certificates are NOT valid).

Please bring these forms with you on your Back-to-School Orientation Day which is **Thursday, August 9, 2018 at 6:30 p.m. (you will receive more information regarding this orientation by e-mail the week of June 25, 2018)** as they will be required to receive your Back-to-School Packet. If your child's appointment is after the given deadline, please inform the middle school Office Manager, Phyllis Herl, at pherl@caschools.us.

If you have any questions, please email me at msoete@caschools.us.

In His Service,

Michele Soete, R.N., B.S.N.
