

CAI CONNECTION

The mission of Christian Academy is to develop students with a heart for God who grow as Jesus did in wisdom, stature and favor with God and men.

May 2, 2019

Retirement Reception in Honor of Mrs. Hock

We invite you to a special reception for Mrs. Marilyn Hock. Over the past 25 years, Mrs. Hock has daily served the Lord and helped develop students with a heart for God. She has faithfully blessed our school in many ways. WE are so grateful for her talents she has used to impact our students and staff. In recognition of her giving heart and years of service, we invite you to a special reception in her honor on Friday, May 17, from 3:00-4:30 pm in the elementary library. Students and parents are encouraged to be here to thank her for what she has meant to your family. We will certainly miss her and her heart for children. We know you join us as we say, "Thank you for giving to the Lord."

Mischler DMD PSC

Campus Safety

All elementary and Junior Academy students must stay with their parents in the car while waiting to pick up HS/MS students. The parking lot is very busy at this time and it is not safe for the children to be out of their cars. Children **may not** play on the hillside near the HS/MS building as classes are still in session and this is very distracting. We appreciate your cooperation in this matter.

You must park in the elementary parking lot when picking up your student after sports practices for tennis, baseball, softball, or track. **DO NOT** block the drive, park in a fire zone, or park up on the sidewalk. During games or matches, please park in the elementary lot as well. This is for the safety of our students and families.

Important Information

If you have items to give or sell to another family at our school, please do not leave them at the front desks for us to distribute. We are no longer able to manage these transactions. Please make arrangements to meet with those individuals. We appreciate your understanding and cooperation in this matter.

Elementary News

Chapel-This week we had a combined chapel. The 5th grade band and 4th grade recorders played selections for us.

Next week will be Lunch Week 2.

Excitement is building for the Accelerated Reader Reward Store, set for the morning of May 16 in the elementary library. Students in grades 2-5 may purchase items with AR points they have earned this school year. They will be called to the library that day based on number of points earned! We are still collecting **donations** to stock our AR Reward Store (books, electronics, stuffed animals, toys, puzzles, games, jewelry, crafts, sports equipment, etc.). Items may be new or gently used. We also welcome gift cards (ice cream, Sweet Frog, iTunes, Amazon, Target, movies, etc.). Please contact Marilyn Hock at mhock@caschools.us if you would like to **volunteer** during our reward store. We could use lots of extra hands for this fun event! The last date for points to count for this reward store will be Tuesday, May 14, at 3:30.

HS/MS News

As a final reminder, scholarship and standard applications are currently open for Camp Cardiac & Camp Neuro Louisville 2019! Camp Cardiac & Camp Neuro, run by medical students in over 30 cities nationwide, are one week summer day camps for high school students interested in exploring careers in medicine. Students may learn more and apply by visiting <http://www.campcardiac.org> and <http://www.campneuro.org>.
