Christian Academy School System admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally made available to students of this school. It does not discriminate on the basis of race, color, or national ethnic origin in the administration of its educational policies, admission policy, financial aid programs, athletic programs, and other school-administered programs.

Excellence in Education

ACT

The ACT consists of curriculum-based tests of educational development in English, mathematics, reading and science designed to measure the skills needed for success in first year college coursework.

2018 ACT Comparison

Christian Academy 25.6

Nation 20.8

Kentucky 20.0

AP Exam

Christian Academy offers a wide variety of 19 AP courses. Each year students taking AP classes participate in an AP Exam that compares our students with their peers in the state of Kentucky as well as across the globe.

In 2018, 204 AP students at Christian Academy of Louisville took the exam with 73% or 149 scoring a 3 or higher. In the state of Kentucky, only 52% of AP students who took the exam scored a 3 or higher, and 59% of global AP students attained this score.

2018 AP Exam Comparison

Christian Academy 73%

Global 59%

Kentucky 52%

29 students were recognized as AP Scholars (passing at least 3 AP exams). 15 students were recognized as AP Scholars with Honors (passing 4 AP exams) 18 as AP Scholars with Distinction (passing 6 AP exams), and 4 as National AP Scholars (scores of at least 4 on all exams taken and 4 or higher on 8 or more exams).

College Attendance

Of the Class of 2018, 95% attend a four-year college and 4% attend a two-year college. 53% attend an in-state, public, four-year college.

Academic Distinction

The Class of 2018 had 3 National Merit Finalists and 2 National Merit Commended students. 4 students were appointed as Governor's Scholars and 5 students were accepted to the Governor's School for the Arts. We have also had 7 appointments to military academies in the last 6 years.

The Christian Academy Story

In 1976, Christian Academy began with 120 students in two rented church facilities and has grown to serve almost 3,000 students on four campuses (three in Louisville, and one in New Albany, IN). Throughout this amazing growth, God has provided different faculty and leadership with different gifts at different times, but always in His timing.

Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, Spiritual, Intellectual, Social and Physical, so that students are taught from solid, biblical principles to integrate God's Word into critical areas of their lives.

Accreditation

Christian Academy of Louisville is accredited by the Association of Christian Schools International (ACSI) and the Southern Association of Colleges and Schools/AdvancED and is certified by the State of Kentucky.

All Christian Academy teachers are certified as required by the State of Kentucky and hold at least a Baccalaureate Degree, with more than 70% achieved either a Masters or Doctorate level degree.

Elementary Program Overview

Curriculum

The elementary curriculum holds students to the highest standards and challenges all students to use their God-given abilities to achieve their learning potential. The elementary language arts and mathematics programs foster critical thinking and life application. Language arts is centered on a strong foundation in phonics, and explicit instruction in comprehension and writing. Mathematics and STEM instruction is focused on developing conceptual understanding, procedural knowledge and problem solving ability.

Special Areas

All students participate in six special areas each week consisting of Art, Music, Library, Computer, Physical Education and Spanish.

Highlights

Daily Bible instruction and weekly Chapel times help our students develop a Christian worldview and love for the Lord Jesus Christ.

Middle School Program Overview

Core Courses

Middle School students have the opportunity to engage in Bible class, Literature, Language Arts, Math, Science/STEM and History courses.

Accelerated Courses

Christian Academy offers accelerated courses in the following areas:

Pre-Algebra (7th grade), Algebra I (8th grade) and Accelerated Introduction to Chemistry and Physics (8th grade).

Exploratory Courses

Art, Band, Physical Education, Orchestra, Choir, Spanish, Yearbook, Computer, Spiritual Life, Manhood 101 and Worldviews courses are offered throughout the year.

Extracurricular Activities

Students may participate in the following activities: Student Council, Military/Law Enforcement Club, Fellowship of Christian Athletes, Ping Pong, Knitting Club, American Heritage Girls, Art Club and Girls 'n' Books.

Highlights

Daily Bible instruction, weekly chapel times and Student Bible studies are designed to be integrated into the school day and student life.

High School Program Overview

Graduation Requirements

All students receive an excellent, traditional education in a challenging, academic environment. The **Standard Program** provides a solid foundation which prepares all students for continuing their education beyond high school. The **College Preparatory Program** is much more demanding and includes foreign language coursework required by major colleges and universities. The **Honors Program** offers a rigorous curriculum with the opportunity to earn college credit. Sixty hours of community service must be completed by all students for graduation.

22 Credits are required for all three diplomas:

Bible (4 credits)	Fine Arts (1 credit)
English (4 credits)	Computer
Science (3 credits)	Physical Education &
Math (3 credits)	Health (1/2 credit each)
Social Studies (3 credits)	Electives (3 credits)

Additionally, two credits of Foreign Language are required for the Honors and College Preparatory Program diplomas. The Honors Program requires 24 credits and a 3.5 GPA. The College Preparatory Program requires 24 credits and a 3.0 GPA.

Diploma with Fine Arts Designation

Graduates of the School of the Arts will also receive a diploma with a Fine Arts Designation reflecting their successful completion of the program requirements. To receive the Fine Arts Designation students must complete all required coursework and maintain a 3.0 GPA in all classes specific to their fine arts track.

School of Biomedical Science Designation

CAL is a certified Project Lead the Way school offering a world-class biomedical curriculum that enables students to obtain the skills needed to succeed in the global economy. Students can earn the School of Biomedical Science Designation by completing the required course work and maintain a 3.25 GPA in their science course work.

Highlights

Christian Academy students have the opportunity to participate in daily Bible instruction, weekly Chapel times, mission trips and accelerated visual and musical performing arts groups. On-campus groups and clubs include Band, Choir, Orchestra, Newspaper, Drama, Art Club, Student Council, National Honor Society, Beta Club, Spanish Club and many others. Our courses also offer a four-year STEM program in biomedical science. Technology including digital projectors, laptop computers and SMART Boards are integrated throughout the schools. All high school students receive and iPad.

*Christian Academy School System administers **The Terra Nova Test**, the most current and widely recognized national standardized test. Christian Academy students in grades K-8 consistently score above the national average on standardized tests.*
