Excellence in Education

ACT

The ACT consists of curriculum-based tests in English, mathematics, reading and science designed to measure the skills for success in first year college coursework.

2019 ACT Comparison

AP Exam

Christian Academy offers a wide variety of 19 AP courses. Each year all of our students taking AP classes participate in an AP Exam that compares our students with their peers in the state of Kentucky as well as across the globe.

In 2019, 179 AP students at Christian Academy of Louisville took the exam with 81% or 145 scoring a 3 or higher. In the state of Kentucky, only 52% of AP students who took the exam scored a 3 or higher, and 56% of global AP students attained this score.

2019 AP Exam Comparison

32 students were recognized as AP Scholars (*passing at least 3 AP exams*). 13 students were recognized as AP Scholars with Honors (*passing 4 AP exams*) 17 as AP Scholars with Distinction (*passing 6 AP exams*), and 4 as National AP Scholars (scores of at least 4 on all exams taken and 4 or higher on 8 or more exams).

College Attendance

Of the Class of 2019, 93% attend a four-year college and 6% attend a two-year college. 49% attend an in-state, public, four-year college. 22% chose to attend a Christian college.

Academic Distinction

The Class of 2019 had 1 National Merit Finalist and 1 National Merit Commended student. 4 students were appointed as Governor's Scholars and 2 students were accepted to the Governor's School for the Arts. We have also had 7 appointments to military academies in the last 7 years.

Academic Support

Eight percent of high school students received academic assistance to support individual learning styles and needs.

Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, Spiritual, Intellectual, Social and Physical, so that students are taught from solid, biblical principles to integrate God's Word into critical areas of their lives.

Accreditation

Christian Academy of Louisville is accredited by the Association of Christian Schools International (ACSI) and the Southern Association of Colleges and Schools/ AdvancED and is certified by the State of Kentucky.

All Christian Academy teachers are certified as required by the State of Kentucky and hold at least a Baccalaureate Degree; more than 70% have achieved either a Masters or Doctorate level degree.

Christian Academy School System admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally made available to students of this school. It does not discriminate on the basis of race, color, or national ethnic origin in the administration of its educational policies, admission policy, financial aid programs, athletic programs and other school-administered programs.

Elementary Program Overview

Curriculum

The elementary curriculum holds students to the highest standards and challenges all students to use their God-given abilities to achieve their learning potential. The elementary language arts and mathematics programs foster critical thinking and life application. Language arts is centered on a strong foundation in phonics, and explicit instruction in comprehension and writing. Mathematics and STEM instruction is focused on developing conceptual understanding, procedural knowledge and problem solving ability.

Special Areas

All students participate in six special areas each week consisting of Art, Music, Library, Computer, Physical Education and Spanish.

Highlights

Daily Bible instruction and weekly Chapel times help our students develop a Christian worldview and love for the Lord Jesus Christ.

Middle School Program Overview

Core Courses

Middle School students have the opportunity to engage in Bible class, Literature, Language Arts, Math, Science/STEM and History courses.

Accelerated Courses

Christian Academy offers accelerated courses in the following areas: Pre-Algebra (7th grade), Algebra I (8th grade) and Accelerated Introduction to Chemistry and Physics (8th grade).

Exploratory Courses

Art, Band, Physical Education, Orchestra, Choir, Spanish, Yearbook, Computer, Spiritual Life, Missions, Worldviews and Mandarin courses are offered throughout the year.

Extracurricular Activities

Students participate in Student Council, Weekly Prayer Gathering, CALMS Cultural and DramatiCALS Jr. Clubs change every year based on interest, such as Photography, Film, Hands of Christ, Sign Language and Military/Law Enforcement.

Highlights

All students enjoy community "Houses," stimulating peer engagement and practice of spiritual character. Daily Bible instruction, weekly Chapel times and Student Bible studies are designed to be integrated into the school day and student life.

Enrollment
High School - 591 students

CAL was the only private high school in the nation awarded the U.S. Department of Education National Blue Ribbon School Award in 2010. Our high school STEM/Biomedical Science Program received Louisville's only Distinguished Designation by PLTW in 2019.

High School Program Overview

Graduation Requirements

All students receive an excellent, traditional education in a challenging, academic environment. The **Standard Program** provides a solid foundation which prepares all students for continuing their education beyond high school. The **College Preparatory Program** is much more demanding and includes foreign language coursework required by major colleges and universities. The **Honors Program** offers a rigorous curriculum with the opportunity to earn college credit. Sixty hours of community service must be completed by all students for graduation.

22 Credits are required for all three diplomas:

- | | |
|----------------------------|---|
| Bible (4 credits) | Fine Arts (1 credit) |
| English (4 credits) | Computer |
| Science (3 credits) | Physical Education & Health (1/2 credit each) |
| Math (3 credits) | Electives (3 credits) |
| Social Studies (3 credits) | |

Additionally, two credits of Foreign Language are required for the Honors and College Preparatory Program diplomas. The Honors Program requires 24 credits and a 3.5 GPA. The College Preparatory Program requires 24 credits and a 3.0 GPA.

Diploma with Fine Arts Designation

Graduates of the School of the Arts receive a diploma with a Fine Arts Designation reflecting successful completion of the program requirements. To receive the Fine Arts Designation students must complete all required coursework and maintain a 3.0 GPA in all classes specific to their fine arts track.

School of Biomedical Science Designation

CAL is a certified Project Lead the Way school offering a world-class biomedical curriculum that enables students to obtain the skills needed to succeed in the global economy. Students can earn the School of Biomedical Science Diploma Designation by completing the required course work and maintaining a 3.25 GPA in their science course work.

Highlights

Christian Academy students have the opportunity to participate in daily Bible instruction, weekly Chapel, mission trips and accelerated visual and musical performing arts groups. On-campus groups and clubs include Band, Choir, Orchestra, Newspaper, Drama, Art Club, Student Council, National Honor Society, Beta Club, Spanish Club and many others. Our courses also offer a four-year STEM program in biomedical science.

Technology including digital projectors, laptop computers and SMART Boards are integrated throughout the schools. All high school students receive a Chromebook.

Christian Academy School System administers Measures of Academic Progress to help assess and enhance elementary and middle school reading and math proficiency. Christian Academy students in grades K-8 consistently score above the national average on standardized tests.
