

SOUTHWEST CAMPUS ACHIEVEMENT TESTING APRIL 16-20

Achievement testing is just around the corner and we need your help to ensure the best results possible. The following tips for testing will help your child perform well!

Five Tips for Testing!

Each child should ...

1. **Get to bed on time.**
2. **Eat a good breakfast.** Breakfast provides your child with the energy and nutrients that lead to increased concentration in the classroom.
3. **Attend school every day.** This is extremely important! It will not be possible to do make-up testing.
4. **Arrive to school on time.** Tardiness can seriously affect testing for that day. Students will not be admitted to the classroom after testing has begun.
5. **Anticipate the test with interest rather than with anxiety.** Help your child approach the testing process in a relaxed and positive way.
