Looking for a way to give back to our school and earn a tax credit up to 50 percent?-The state of Indiana allocated \$15 million for this fiscal year (July 1, 2019, through June 30, 2020) to the Scholarships for Education Choice program. This empowers taxpayers to support private K-12 education by allowing you to direct your state tax liability to scholarship granting organizations (SGOs). At CAI we work with the Sagamore Institute.
