News from Nurse Driver

I wanted to let you know what we as a school are doing to keep our students and staff healthy.

- We are cleaning rooms and commonly touched items routinely, by classroom teachers and custodial staff.
- We are encouraging and practicing good handwashing, and sneezing and coughing into our elbows.
- We are reminding parents that students should stay home a full 24 hours after an episode of vomiting or diarrhea, and that a temperature of less than 100 degrees is maintained for 24 hours without the use of fever reducing medication before returning to school.

Continuing to practice good hygiene will go a long way towards avoiding transmission of any virus!

Elementary News

Chapel-Today we enjoyed a combined chapel. Mrs. Richards talked to us about how we all experience big emotions and ways we can handle our emotions. We know we can rely on God and the Holy Spirit to help us. Pastor Carman Hammond, Music Minister at Graceland Baptist Church, and dad to Judah, Levi, Natalie, and Emily, led us in worship. We heard piano selections from James Annis, Nate Begle, Katie Knighton, Meghan Pinckney, and Sarah Neal.

Next Week will be Lunch Week 3.

Incoming 6th Grade Orientation-There will be an orientation session for parents and current fifth grade students next Monday, March 9, at 6:00 pm in the auditorium; it is important that the student and at least one parent attend. We will explain middle school policies and procedures, as well as answer any questions you might have. Students will also have the opportunity to make elective course choices and receive a practice locker combination.
