

# Paying for College

## SCHOLARSHIPS

- You should never have to pay someone to find scholarship money for you. Information is widely available online.
- ★ -The school counselor announces all scholarships that come in to the counseling office to seniors and will send parent emails.
- There are MANY merit-based scholarships out there that never come through the CAI counseling office. Many come directly with the award package from the college financial aid office. Check with the college/university to find out more information.
- Write the essays!
- Search online at [www.Fastweb.com](http://www.Fastweb.com)
