On Monday vs. New Albany, the Warriors faced off against another 4A opponent. Falling behind in each of the three sets, the Warriors fought back, trading points with the Bulldogs the rest of the way. Ultimately, the Warriors fell to the Bulldogs (10-25/20-25/15-25). **Kendall Kerberg** led the team with 18 kills and 15 digs with **Halle Rankin** and **Adeline Baldwin** contributing nine and eight assists, respectively. Tuesday night was a one of celebration for our seniors, **Kendall Kerberg** and **Halle Rankin**. Both players have heavily contributed to the varsity team over the course of their four year careers. Also during the pre-match celebration, **Kerberg** was recognized and given a game ball for reaching her 1,000th career kill earlier this season in a match vs. Tecumseh High School. **Rankin** was then recognized and given a game ball for reaching her 1,000th career assist in the championship match last season vs. North Judson-San Pierre. Once the match started, the Warriors came out on fire, playing with heart and intensity in an effort to send out the seniors with a victory (25-18/25-15/25-20). Par for the course, both seniors contributed significantly in the win. **Kerberg** had four aces, 23 kills, two assists, 12 digs and 1 block assisted. **Rankin** had four aces, nine kills, 16 assists, and three digs.

JV Volleyball: (2-10)

On Tuesday night, the JV Warriors almost picked up their 3rd win of the season vs. Lanesville (15-25/22-25). As the season has progressed, their matches have steadily become closer and their advancements are the court are becoming more noticeable. The JV team was led by another strong effort from Daisy Myers and Emma Harrod along with a solid showing from behind the service line from **Chloe Chaffin**. Offensively, **Darby**

Killion and **Jordan Sahibi** are starting to hit the ball with more speed to challenge the other team's defense.
