Over Fall Break the Warriors played in four matches, including three against Sectional opponents, going undefeated in that span of time. The Warriors have won eight of their last nine matches going in-to Sectionals this week. The first match over the break vs. Scottsburg saw the Warriors pick up a huge road win and were dominate from start to finish. The team had 17 aces (5 - **Chloe Wiseheart**, 5 - **Halle Rankin**) and **Kendall Kerberg** had a dominate performance with 28 kills. The next day the Warriors traveled to Madison. After dropping the first set, the team rallied to win the next three sets. It was another dominating service performance from the Warriors with **Halle Rankin**, **Abby Vancampen**, and **Kendall Kerberg** picking up four aces each. Along with her aces, **Halle Rankin** had 25 assists, 10 digs, and 12 kills. The following week, the Warriors played in their home finale vs. Eastern Pekin. **Adeline Baldwin** was hot behind the service line with a team high 21 serves (four aces). In their last match of the regular season, the team took on Charlestown beating them in tjree straight sets. The Warriors had a huge defensive performance at the net from **Jolie Miles**. **Miles** recorded her single match best, four solo blocks. **Mollie Hoagland** and **Chloe Wiseheart** joined in on the block party picking up two assisted blocks each. Over the course of the four matches, libero **Abby Vancampen** was HUGE in the back row for the Warriors. **Vancampen** averaged a 2.17/3 passer rating and 14.25 digs per match.

### JV Volleyball: (2-14)

The JV Volleyball Warriors dropped all four of their matches over Fall Break to close out their season. During that span, the Warriors saw some solid serving from **Abi Wilson**, **Darby Killion** and **Chloe Chaffin**. Defensively, **Daisy Myers** and **Darby Killion** carried the load. Over the course of the year, the team saw tremendous strides in all facets of the game. By the time they played in their season finale, the Warriors were putting all the pieces together. In their match vs. 3A Charlestown, the Warriors not only passed and set well but were seeing their best offensive play of the season. **Sarah Newbanks**, along with **Jordan Sahibi**, **Darby Killion** and **Kira Short**, had some big time kills and played good front row defense. **Daisy Myers** and **Chloe Chaffin** were able to distribute the ball well to put their hitters in a good position to score some points. And **Abi Wilson** saw her best passing and defensive match of the season. While their record may not reflect it, this team battled in every match, improving with every match and finishing the season strong.
