Volleyball Sectionals

Varsity Volleyball: (16-10)

This past week the Lady Warriors played in Class 3A Sectionals at Silver Creek High School. On Tuesday night they faced off against Corydon Central in a rematch from earlier in the season. Corydon pushed the Warriors all match, even winning the second set. However, behind the serving and hitting of senior Halle Rankin, the Warriors were able to persevere and secure the first round victory, 3-1. The Lady Warriors would then face off Saturday morning vs. the Salem Lions. From the start, CAI struggled

behind the service line and with trying to find a way around Salem's big front row. After falling behind two sets to none. The Warriors found a way to rally in 3rd set behind **Kendall Kerberg's** eight kills and **Halle Rankin's** seven kills. **Abby Vancampen** and **Chloe Wiseheart** came through in that set with seven digs each. The 4th set saw CAI fall behind early again 5-15. However, behind the defensive efforts of Adeline Baldwin and the offensive efforts of Halle Rankin, the Warriors began a comeback. Getting back within two points (20-22) late in the match, the team couldn't manage to get any closer and dropped the set and the match, 1-3.
