-LAST WEEK ON THE COURT-

VARSITY GIRLS BASKETBALL

The Warriors had two competitive games last week. The first game was the home opener against Borden. The girls competed until the very end and worked extremely hard, but ultimately came up just short losing 36-41. **Emma Fletcher** had 15 points and **Erin Stensrud** had nine. **Ella McCoy** had several great defensive plays as well. The second game of the week was on Saturday against a very talented New Washington team. The girls played aggressive, hard and tough, and were in the game until the very end. The Warriors had another close loss, though, with a score of 33-42. **Mackenzie Fountain** had nine points and **Ann Lopez** had eight. The Lady Warriors will be back in action on Tuesday, at West Washington.

JV GIRLS BASKETBALL

The JV basketball team had two games last week. The first was against Borden on Tuesday night. The Warriors battled for four quarters, but in the end, it wasn't enough to get the victory. **Ashlin Owen** led the way with seven points, including making five of her seven free throws. The Warriors also played New Washington on Saturday. New Washington had a very strong team, and in the end the Warriors came away with a loss. The Lady Warriors were able to score 17 points against a very talented defense, though. **Nicole Tucker** had seven points and **Ashlin Owen** had five. The Warriors will be back in action Tuesday at West Washington.
