SPECIAL NOTE:

Please be in prayer for the West Washington community. At the Semi-State Football game Friday night, their Head Football Coach and Athletic Director, Phillip Bowsman, suffered a stroke. While he was able to get quick care, he unfortunately passed away Monday. He leaves behind a wife and two children.

-LAST WEEK ON THE COURT-

VARSIY GIRLS BASKETBALL

The Lady Warriors faced strong competition last week with games against West Washington and Lanesville. Against West Washington, the Warriors were able to get some solid offense going throughout the game. The team's free throw shooting also rose dramatically from the previous game. West Washington's three point shooters proved to be too much though, and the Warriors came up short on the defensive end. Emma Fletcher contributed 12 points and MacKenzie Fountain contributed nine points in the loss.

On Thursday, the Lady Warriors had to go against the #8 ranked Lanesville Lady Eagles. The Lady Warriors came out ready to play and at the end of the first quarter were only down by six points (11-5.) It was a very impressive quarter of basketball that the Warriors would like to build on. In the end, the Lady Eagles prevailed with the win. **Emma Fletcher** contributed five points in the loss and **Ella McCoy** had another very impressive defensive game.

ALUMNI UPDATE:

Congratulations to CAI alum Sierra Rayzor (2017) and the Samford volleyball team for winning its second straight Southern Conference Championship and receiving an automatic bid to the NCAA D1 Tournament. Rayzor had 14 kills and a staggering .684 hitting percentage in the championship match, and 13 kills along with an equally impressive .667 hitting percentage in the semifinal match. She was also the recipient of the Pinnacle Award, which goes to the player with the highest cumulative GPA among championship-eligible student-athletes on the winning team.

GAME DAY SUMMARIES

4TH GRADE BBB

Last week the 4th Grade Warriors lost 15-18. Despite being down in the 4th quarter, the team rallied to put up six points in a row and took the lead. However, in the final few minutes of the game the Warriors had some fouls that resulted in points for Highlands Latin and the eventual three point victory.

5/6TH GRADE GBB

Last week, the girls had three games, coming against St. Anthony, Spencer County and CAL. The Warriors secured the victory over St. Anthony and narrowly missed the win against Spencer County on Saturday.

Total stats for the week:

Carly Stevens: 17 pts, 15 steals, 7 rebs, 4 assists

Macy Jackson: 15pts, 10 steals, 11 rebs, 1 assist

Dannah Kerberg: 6pts, 10 rebs, 2 assist, 1 block

Addison Jackson: 4 pts, 21 rebs, 7 blocks, 3 steals, 3 assists

Maddie Webb: 5 pts, 6 rebs, 5 steals, 1 block

Aiana Rightnowar: 4 pts, 10 steals, 5 rebs, 2 blocks

Kaylee Williams: 2 pts, 7 rebs, 1 block, 1 steal

Ava Capps: 2 pts, 1 reb

5TH GRADE BBB

On Saturday, the Warriors continued their winning ways, by defeating Rock Creek at home. **Zeke Irvin** contributed eight points for the Warriors, closely followed by **Bryson Cook** with seven.

6TH GRADE BBB

The 6th grade boys basketball team was able to get their 2nd win of the season against Rock Creek on Saturday. **Nathan Cavanaugh** played with a great spirit. **Aslan Esparza** chipped in five points in the victory.

7/8TH GRADE BBB

The 7th and 8th Grade Blue team lost to a very good West End School team by the score of 44-12 **Ayden Neighbours** had five points for the Warriors. The 7th and 8th Grade Gold team lost by a score of 41-19 to West End School. **Hayden Hall** had six points and controlled the rebounding game very well. **Nate Doss** had four points and played very tough defense for the Warriors.

7/8TH GRADE GBB

The 7th & 8th grade girls fell to Henryville last Monday 25-23. The game was a back and forth affair throughout. However, several lapses in transition defense during the 3rd & 4th quarters led to an eight point deficit for the Warriors. In the last three minutes, CAI applied full court pressure in hopes of starting a late rally. The team turned Henryville over and scored on three consecutive possessions. The team showed the heart of a Warrior, but the comeback bid was too, little too late. The team will lace them up again on December 2 against St. Anthony, and will be working hard on transition defense leading up to that game.

CAI Scoring:

Payton Dickerson - 7 pts

Leah Stevens - 6 pts

Brooklyn Shields - 4 pts

Kristen Abbott - 4 pts

Jalyn Hadley - 2 pts
