Tuesday's Results:

Lost - @ Henryville: 16-25 / 15-25

The JV team kicked off their season this past Tuesday at Henryville High School. After keeping it close for half of the first set, Henryville was able to put together a couple good serve rotations to close out the set. In the second set, after falling behind 10-20, Daisy Myers brought the Warriors back with a solid serve rotation. However, it was not enough to overcome the strong serving of Henryville and the Warriors fell in the 2nd set 15-25. While the Warriors dropped their first match, they look much improved over last season.
