The Warriors kicked off their season with two meets last week. The first was the Hokum Karem meet at Silver Creek on Tuesday. The team of **Callie Crouse/Briley Dunn** had an impressive top ten finish, followed by **Grace Mullins/Audrey Nash** who finished 25th. For the boys, **Kyle Walstrom/Matthew Young** finished just out of the medals with a 28th place finish. On Saturday, took part in the Salem Cross Country Invitational. With cooler temperatures, it was a good morning for running on a very hilly, winding and challenging course. All of the runners ran well, and **Callie Crouse** had another top 20 performance, finishing 19th for the Warriors.

##### HS Girls Soccer

The Warriors picked up two hard fought wins on Monday and Tuesday night against two former sectional opponents in Crawford County and Paoli. Thursday saw the Warriors play at home for the first time this season, facing off against new sectional opponent Corydon Central. It was a good opportunity to see how the Warriors match up in 3A. On Saturday the team travelled to Scottsburg for a tournament. Despite starting off the morning a little slow against two very good teams in Jasper and Hauser, the Warriors were in each match until the end and stacked up well against two of the top teams in the state in their respective classes. CAI finished Saturday with two victories (Jennings County and Butler). The Warriors rebounded well from the morning and came out fighting in the afternoon, hitting on all cylinders both defensively and offensively. This week also saw senior **Kendall Kerberg** named to the 2019 Under Armour All-American Watch List and nominated for IndyStar Volleyball Top Performer of the Week.
