Highlights:

Alli has made waves at the next level. In her freshman season, she quickly found herself starting and wrapped up the season as the SEC Freshman of the Year. As a Sophomore, she continued to grow and once again gained National attention (National Player of the Week, AVCA Second Team)

“

I coach to teach players basic fundamentals, help them gain confidence in who they are, and to develop them into people who love, serve and lead others with confidence and purpose.

”

COACH JOHN MULLINS
SOFTBALL/ARCHERY

"Teamwork makes the dream work" - "You're only as strong as your weakest link" - "We are all in this together"

So many saying about the topic of teamwork! The Bible has plenty to say as well. In Romans 12 it talks about us all being one body with many parts. Philippians 2 talks about putting others above yourself. When it comes to teamwork, selflessness is a major component. Putting yourself aside - your pride, your opportunities for personal recognition, your "rights", they all point to a selfless heart. When you are willing to do this and start to recognize the contributions of others, that is when a team can really start to shine!

So, what is your role? On your team? In your family? As a Christian in this world?

As always - GO WARRIORS!

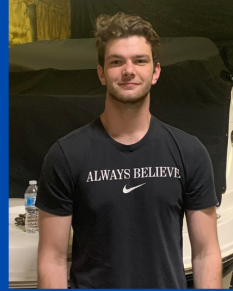

-TRANSFORMATIONAL PURPOSE-

In this section, we will highlight one of the CAI Coaches and their Transformational Purpose Statement, which will be recognized on social media as well. A transformational purpose statement is a great reminder for us on the reasons WHY our coaches coach. It's more than just the scoreboard for them!

SPRING TEAM PHOTOS

We are in the process of collecting spring team photos. What this means is we need a photo from every spring sport athlete to include in a team photo "mash-up." We have completed two so far and they are below. If your child hasn't already submitted their photo, please do so today! We want to include everyone but need your help. These will be included in the yearbook and in the Commons entrance area.
