Developing Students with a Heart for God

The mission of the Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. Developing a heart for God means that Christian Academy focuses, with great intentionality, on four core pillars, Spiritual, Intellectual, Social and Physical, so that students are taught from solid, biblical principles to integrate God's Word into critical areas of their lives.

Accreditation and Assistance

Christian Academy of Indiana is accredited by the Association of Christian Schools International (ACSI), North Central Association of Colleges and Schools/AdvancED and by the State of Indiana.

All Christian Academy of Indiana teachers are certified as required by the State of Indiana and hold at least a Baccalaureate Degree, with more than 70% earning either a Masters or Doctorate level degree.

Christian Academy of Indiana participates in the Indiana Choice Scholarship Program. Over 60% of CAI students receive support from 9 financial assistance and discount programs.

Christian Academy School System admits students of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally made available to students of this school. It does not discriminate on the basis of race, color, or national ethnic origin in the administration of its educational policies, admission policy, financial aid programs, athletic programs and other school-administered programs.

Enrollment
Jr. Academy - 161 students
Elementary - 385 students

The Terra Nova Test
Christian Academy School System administers The Terra Nova Test, the most current and widely recognized national standardized test. Christian Academy students in grades K-8 consistently score above the national average on standardized tests.

Elementary Program Overview

Curriculum

The elementary curriculum holds students to the highest standards and challenges all students to use their God-given abilities to achieve their learning potential. The elementary language arts and mathematics programs foster critical thinking and life application. Language arts is centered on a strong foundation in phonics, and explicit instruction in comprehension and writing. Mathematics and STEM instruction is focused on developing conceptual understanding, procedural knowledge, and problem solving ability.

Special Areas

All students participate in five special areas each week consisting of Art, Music, Library, Technology and Physical Education.

Highlights

Daily Bible instruction and weekly Chapel times help our students develop a Christian worldview and love for the Lord Jesus Christ.

Middle School Program Overview

Core Courses

Middle School students have the opportunity to engage in classes in Bible, Literature, English, Math, History, Geography and Science, which incorporates Project Lead the Way - the nation's leading STEM program.

Elective Courses

Christian Academy offers elective courses in Art, Band, Choir, Computer/Robotics, Spanish and Physical Education.

Sports

Students may participate in Archery, Baseball, Basketball, Cheerleading, Co-Ed Cross Country, Golf, Soccer, Softball, Tennis, Track & Field and Volleyball at the middle school level.

Extracurricular Activities

Students may participate in Student Council, Beta Club, eighth grade retreat, service projects and multiple other clubs.

Highlights

Daily Bible instruction, weekly Chapel times and student Bible studies are integral to our mission of developing students with a heart for God.

High School Program Overview

Graduation Requirements

The Core 40 Program includes coursework required by major colleges and universities. The Core 40 with Academic Honors Program provides a challenging course of study for top students and includes courses that offer the opportunity to earn college credit while at Christian Academy of Indiana. Sixty hours of community service are required for graduation.

Basic credit requirements for both diplomas:

Bible (8 credits)	Social Studies (6 credits)
Language Arts (8 credits)	Health & Safety (1 credit)
Science (6 credits)	Physical Education (2 credits)
Mathematics (6 credits)	Electives (6 credits)

Additionally, five credits of directed electives (Foreign Language, Fine Arts or Career/Technical) are required for the Core 40 Program.

The Core 40 with Academic Honors Program requires 6-8 Foreign Language credits, two additional math credits and two credits of Fine Arts. Students earning the Core 40 with Academic Honors diploma must earn a "C" or above in courses that will count toward the diploma and a grade point average of 3.0 or above and meet additional requirements through AP courses, dual credit or SAT/ACT scores for a total of 47 required credits.

Dual-Credit Program

Students may take courses from an Indiana college or university for high school credit. GPA for post-secondary/AP credit is on a 5.0 scale. Several courses earn dual credit through Ivy Tech Community College.

Honors Courses and Advanced Placement Courses

English I, II, III & IV, Chemistry I & II, Biology, U.S. Government, Physics, Spanish III & IV, World History, U.S. History, Algebra I & II, Geometry, Economics, Pre-Calculus, Choral Chamber Singers and Advanced Concert Band are offered as honors courses. Advanced Placement courses are Biology, Calculus, Computer Science, English Language and Composition, English Literature and Composition, European History, U.S. Government and Politics, and U.S. History.

Program Highlights

Christian Academy students have the opportunity to participate in daily Bible instruction, weekly Chapel times, domestic and international mission trips and community service projects. Students also have the opportunity to participate in extracurricular activities including Choir, Band, Yearbook, Drama, Archery, Student Council, Spanish Club, National Honor Society, International Missions Trips, Spanish National Honor Society, retreats and other clubs and class activities.

Technology

Over the years, we have embraced digital projectors, laptop computers and SMART Boards, which have greatly enhanced the learning experience for students and teachers alike. All students entering high school at both our English Station and Indiana campuses receive a Chromebook.
