

Christian Academy of Louisville Alumni

Establishing a strong alumni legacy.

The Christian Academy School System brick program provides alumni the opportunity to leave a legacy for those who come after them.

<http://www.caschools.us>

The alumni walkway, located outside the main entrance on our English Station Campus, was established with bricks from the original Christian Academy of Louisville campus, Rock Creek. Our alumni are an invaluable part of our school's history. These students have been a part of the journey God has led. By representing alumni from all of our Kentucky campuses, the walkway shows multiple campuses, one school system.

It is our goal to be diligent in leaving a legacy for those who will come in the future to experience God's faithful provision in this school system. A strong Christ centered foundation, friendships that endure and believers who live to carry out the great commission.

The funds raised from the walkway will be used to build the alumni college scholarship. This scholarship is awarded to a graduating senior each year.

By purchasing a brick, you are leaving a mark for others. You are making a statement of the importance Christian Academy had on your life. We value your history with us and our prayer is that we continue to make you proud to call yourself one of Christian Academy's Alumni.
