## G.1.0 INTRODUCTION TO CHRISTIAN ACADEMY SCHOOL SYSTEM

---

*For no one can lay any foundation other than the one already laid, which is Jesus Christ.*  
I Corinthians 3:11 NIV

---

### G.1.1 Christian Academy School System

The Christian Academy School System is a family of Christian schools that share a philosophy, mission, and commitment to providing quality Christian education in a Christ-centered environment. Each school reflects the needs and desires of the Christian community it serves.

Our schools have a rich history that testifies to God's grace and provision. Please click [here](#) to read more about the history of Christian Academy School System.

### G.1.2 Statement of Faith

We believe that the Bible is the only inspired, inerrant Word of God.

We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

We believe that Jesus Christ is God Himself, came to earth in the flesh, was born of a virgin, and lived a sinless life. He died a substitutionary and atoning death on the cross. He arose bodily from the grave and ascended into heaven where He sits at the right hand of God.

We believe man was created in God's image and being descended from Adam inherited a sinful nature and is totally unable to save himself from the natural consequences of sin.

We believe men and women are saved and justified by faith in the shed blood of Jesus Christ and by accepting Him as Lord and Savior are born again by the Holy Spirit and become children of God. There is a spiritual unity of all believers in our Lord Jesus Christ.

The statement of faith does not exhaust the extent of our faith. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of doctrine, practice, policy, and discipline, the Superintendent, subject to review by the Board of Directors as appropriate, is the school's final interpretive authority on the Bible's meaning and application.

### G.1.3 Statement of Sanctity of Life and Statement on Gender, Marriage and Sexuality

#### Statement on Sanctity of Life

We believe that all human life is sacred beginning at the moment of conception and ending at a person's natural death. Accordingly, every unborn child is a living human being, created in the image of God, and must be respected and protected both before and after birth. Direct or indirect volitional taking of any innocent human life by any means and by any individual or entity through abortion or euthanasia constitutes a violation of the sanctity of human life, and is a sin against God and a crime against man.

#### Statement on Gender, Marriage and Sexuality

We believe that God acts to give each person a gender by wonderfully and immutably creating each person as distinctly male or female. These two distinct, complementary genders together reflect the image and nature of God. Rejection, whether by personal volition or compulsion, of one's biological gender is a rejection of the image of God within that person and a sin against God.

We believe that the term “marriage” has only one meaning, which is marriage as created and sanctioned by God in which God joins one man and one woman in a single, life-long, and exclusive union, as delineated in Scripture.

We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other.

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that condoning, engaging in, or facilitation of any form of sexual intimacy outside of marriage is sexually immoral, sinful, and offensive to God.

We believe that any form of sexual immorality is sinful and offensive to God. Sexual immorality includes, but is not limited to adultery, fornication, homosexuality, lesbianism, bisexual conduct, bestiality, incest, pornography, and attempting to change one’s biological sex or otherwise acting upon any disagreement with one’s biological sex.

We believe that in order to preserve the function and integrity of the Christian Academy School System’s, and its member institutions, commitment to traditional education in a Christ-centered environment, to act as a faithful and local component of the Body of Christ, and to provide Biblical instruction and modeling to the System’s students, faculty, staff, families, and the community, it is imperative that all persons employed by Christian Academy School System in any capacity, who serve as volunteers, or independent contractors, should abide by and agree to our Statement of Faith and to this Statement on Gender, Marriage, and Sexuality and conduct themselves accordingly.

We believe that God offers redemption and restoration to all who confess and repent from their sin, who seek His mercy and grace, and humbly ask for His forgiveness through Jesus Christ.

We believe that every person must be afforded compassion, love, kindness, respect, and dignity; behavior or attitudes not displaying compassion, love, kindness, respect, and dignity which are directed toward any individual are unacceptable, must be repudiated, and are not in accord with Scripture, the doctrines of the Church, or the policies of Christian Academy as reflected in our Statement of Faith.

#### **G.1.4 Mission Statement and Vision**

##### **MISSION STATEMENT**

*The mission of Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. As such, Christian Academy considers its employees to be ministers of Christ to the students and families they serve.*

##### **VISION**

*The vision of Christian Academy is to ignite and transform students to impact our communities through world-class, Christ-centered educational experiences.*

#### **G.1.5 Philosophy**

The educational philosophy of the Christian Academy School System is based on a Biblical view of God, man, truth, and education. To read more about the philosophy and goals of Christian Academy School System, please click [here](#).

#### **G.1.6 Biblical Worldview**

The mission of Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. To this end, students at every level are taught from a biblical worldview. A worldview is the framework from which each person views life. It represents their most fundamental beliefs and assumptions about the world in which they live.

As students develop a biblical worldview they will accept that scripture is the final authority concerning God's character, God's creation, God's truth, God's love and God's design. This biblical worldview is developed through the knowledge of Bible truths, application of scripture and the leading of the Holy Spirit. The goal of Christian Academy is to lead students to commit to biblical principles and truth as the structure for all that is taught: physically, mentally, socially, emotionally, and spiritually.

### **G.1.7 Diversity Commitment**

In Genesis 1:26-27, God created humanity in His own image and gave them dominion over the earth. Christian Academy Schools provide students with an excellent education in a Kingdom-focused environment. Recognizing that God has created individuals in His image, Christian Academy values and cherishes the uniqueness and dignity of each person believing a diverse community creates a dynamic school.

Christian Academy opposes all forms of racism and prejudice that may cause anyone to feel undervalued and unworthy of human dignity. We pledge to intervene if we see moments in our classrooms, meetings, conferences, discussion boards, or students' work that may threaten and/or harm through stereotyping or silencing fellow image-bearers.

Diversity in our student body, families, staff and community builds a school environment where all are respected, valued and appreciated. A diverse community at Christian Academy supports sensitivity to ethnic backgrounds, feelings and individual physical characteristics of others, while developing appreciation for the God-given talents and abilities of those encountered throughout the world.

The Christian Academy beliefs are based on Galatians 3:28 that we are one family in Christ enhanced by embracing the differences God has designed in all of his creation.

### **G.1.8 Accreditation**

All schools in the Christian Academy School System are accredited, certified or licensed by the following organizations:

#### Kentucky

- Association of Christian Schools International (PreK-12)
- AdvancED/Southern Association of Colleges and schools (PreK-12)

### **G.1.9 Board of Directors**

## **G.2.0 GENERAL POLICIES AND PROCEDURES**

---

*And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.*

Colossians 3:17

---

### **G.2.1 Admission**

Subject to the faith-based standards and beliefs stated in the Christian Academy policies and procedures, Christian Academy School System admits students of any race, gender, color, nationality or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, gender, color, nationality or ethnic origin in administration of its educational policies, admissions policies, tuition grant program, athletic and other school-administered programs.

Christian Academy was established on the biblical principle that God gives parents the primary responsibility for educating their children. The school enters into a partnership with parents and Christian educators to teach academics in the context of a Christian worldview. Christian Academy's policy is to offer enrollment to students of Christian parents who desire a Bible-based education with academic excellence for their children. The Christian Academy staff partners with families who also teach their children what it means to have a Christian lifestyle regarding personal and family relationships, such as demonstrating love for others, exhibiting a teachable spirit and sharing the belief that a biblical marriage is limited to a covenant relationship between a man and a woman (Matthew 19:4). (See Section G.1.3)

Notwithstanding anything else in this handbook, Christian Academy reserves the right to select students and families on the basis of academic performance, Christian commitment, lifestyle choices and personal qualifications including a willingness to cooperate with our administration and policies. Therefore, Christian Academy reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue the enrollment of a student on the basis of, but not necessarily limited to, the inability to support the moral principles of the school and/or the inability to maintain a lifestyle consistent with the Christian Academy statement of faith, mission, values, philosophies and goals, and any related policies and procedures. (Romans 1:24-32, Galatians 5:19-21)

### **G.2.2 Fundraising**

The costs involved in operating Christian Academy School System significantly exceed the amount that is charged in tuition and fees. Therefore, we ask that the school community support the ministry of the school above and beyond tuition and fees, as they are led by God to do so. Christian Academy School System's ALL IN Campaign is designed to bridge the gap between tuition and operating costs by supporting the Annual Fund. This is achieved each year through voluntary tax-deductible gifts from parents, grandparents, staff, alumni and the community. Through these gifts, we are able to provide students with an academically advanced Christ-centered education.

The Christian Academy Gala is the main fundraising event for the school system and proceeds go to support the Annual Fund to benefit each campus. Everyone is invited to be part of this event. There are other campus specific fundraising events throughout the year led by the Development Office, the athletic departments, and the PTO for each campus. There are other opportunities to give back to the school through in-kind donations, volunteer opportunities, fundraising events or planned giving to assist in meeting needs in the future.

Approval from the Director of Development must be obtained for all school-related fundraising projects prior to any sales or activities being conducted. All fundraising inquiries should be directed to the Director of Development at (502) 244-3225.

### **G.2.3 Marketing, Public Relations, Branding and Logo Usage**

The Director of Marketing provides oversight to all Christian Academy School System branding, logo usage, marketing, communications and public relations efforts, and is the official media contact for Christian Academy. All

media inquiries should be directed to the Director of Marketing at (502) 244-3225. In order to maintain consistency and to ensure the communication of accurate information, parents, students, faculty, staff and coaches are not authorized to issue press releases or otherwise communicate for or on behalf of the schools or any school program, team or group unless specifically authorized to do so by the Superintendent, Executive Director or Director of Marketing.

Permission to use a student's photo or image for publication, video and other marketing purposes by authorized Christian Academy personnel is granted by signing this handbook's agreement unless the Director of Marketing for Christian Academy School System is notified in writing that permission is denied by the student's parent or guardian.

Permission to use the Christian Academy School System logo, or any other logo associated with the school system for an individual campus, athletics, fine arts, Jr. Academy, or any other area must be obtained by submitting a Brand Request Form on [www.caschools.us/brandconnection](http://www.caschools.us/brandconnection), and following the process set forth to accurately display and represent the Christian Academy School System with excellence.

Christian Academy encourages communication among its families. However, use of the Christian Academy of Louisville, Christian Academy of Indiana and Christian Academy School System name and logos without written permission is prohibited in the creation and promotion of new social media groups or websites (for example, creating a *Christian Academy of Louisville xxxx Facebook page*) as this implies approval and support of Christian Academy School System. Approval of spin off groups may be obtained through a written request to the Director of Marketing. Christian Academy School System reserves the right to require discontinuance of any network reflecting Christian Academy if, in the opinion of Christian Academy, the network is not consistent with the philosophy and standards of Christian Academy.

#### **G.2.4 Safe School Commitment**

Christian Academy School System is committed to establishing and maintaining a safe learning environment for each of its campuses. Therefore, Christian Academy School System reserves the right to routinely inspect and specifically search school buildings, grounds, and lockers, as well as anything brought onto school property or school facilities in accordance with the laws of each state.

#### **G.2.5 School Facilities Notices**

##### Asbestos Management Plan

All buildings owned or occupied by Christian Academy School System have been inspected for asbestos-containing building materials. An inspector fully accredited by the appropriate state and the Environmental Protection Agency (EPA) conducted this inspection.

Christian Academy School System has adopted an asbestos management plan for each building. To see the plan, click here: [AHERA Asbestos Management Plan](#).

The district coordinator, maintenance staff, and building custodians will receive sufficient training to recognize asbestos and respond in the proper manner.

##### Integrated Pest Management Program

Christian Academy School System provides numerous health services for students and school employees. One of those services is an Integrated Pest Management (IPM) program to prevent pest infestations. A recent change in state regulations now requires that the schools provide a 24-hour notice prior to any IPM applications made on school property. When requested, this information is available to all parents and school employees.

### **G.2.6 Security**

Christian Academy School System is fully committed to providing a safe and secure learning and working environment for all stakeholders, including students, employees, and visitors. Each school has fully developed and routinely practiced security protocols which have been reviewed and endorsed by local and state law enforcement agencies. See Section P.3.6 for security measures regarding visitors to campuses.

Access to school buildings will be denied during security drills. On some campuses, traffic will be stopped during drills until students have re-entered the building.

### **G.2.7 Traffic Safety**

It is imperative that all drivers travel in a slow and controlled manner while on campus. Please observe speed limit signs, stop at all crosswalks, refrain from all forms of distracted driving, and be vigilant in watching for children. Do not pass school buses with stop signs extended. Do not park in fire lanes. Vehicles parked in fire lanes may be cited by LMPD/NAPD and/or the State Fire Marshal (or his designate). At the English Station campus, please observe the proper traffic pattern for the roundabout. The safety of our students is a great concern.

All students are to be dropped off and picked up only at locations designated for each school level on each campus. Refer to the school-specific section of this handbook for details. Please observe all traffic and parking instructions and zones on campuses, and use marked crosswalks when crossing the flow of traffic. During car pool hours, cars should not be parked or abandoned in the drive lanes for any reason, especially at school entrances.

### **G.2.8 Website**

The official website of Christian Academy is located at <http://www.caschools.us>.

Permission to use a student's photo or image for publication, video and other marketing purposes by authorized Christian Academy personnel is granted by signing this handbook's agreement unless the Director of Marketing for Christian Academy School System is notified in writing that permission is denied by the student's parent or guardian.

### **G.2.9 Reporting and Investigating Suspected Child Abuse**

Christian Academy schools comply with all state laws and regulations in reporting and investigating cases of suspected abuse. Policy details are available to families upon request. Allow three business days for processing.

#### **P.4.2 Permanent Records**

The following items are kept in the permanent record file: Immunization Record and a current Registration Form.

#### **P.4.3 Safety Drills**

Emergency drills will be conducted on a regular basis. This is done for the safety of your child. It is good to practice fire safety at home to help your child realize the importance of drills.

#### **P.4.4 Disaster Protocol**

In the occurrence of threatening weather/emergency situation we will use the following procedures:

- Notify all staff to follow posted instructions.
- Move children

#### **Emergency phone number in case phone lines are out:**

Calls made to these numbers during the normal school day will not be answered unless all other phone lines are out.

Please refer to the appendices of this handbook for campus specific reunification procedures.

Appendix A: English Station

Appendix B: Rock Creek

Appendix C: Southwest

In addition, each Jr. Academy office has an Emergency binder available for parents to review. The binder contains all emergency procedures for the school.

## **P.5.0 DISCIPLINE**

### **P.5.1 Discipline Policy**

At Junior Academy, we believe that good discipline consists of positive training in the right direction. Our staff must have the right to correct a child's behavior when and if necessary in order to maintain a pleasant atmosphere and teach appropriate behavior. By providing an environment where participation in activities is both fun and rewarding, good behavior becomes a natural part of the experience. We use positive reinforcement and praise to encourage appropriate behavior. "Praise in public and correct in private" is followed at Junior Academy.

It is our policy:

1. To use positive communication techniques. We want the child to become calm, express his or her feelings and take responsibility for action.
2. To redirect the child to another activity.
3. To give the child a brief period of "time-out" (one minute per year of age, example: 2 years old – two minutes time out) to consider his or her actions and then be able to return to the activities.

If a child displays inappropriate behavior on a regular basis, the parents will be consulted for help and support. If a child needs to be picked up due to a discipline concern, he/she will need to be picked up within an hour of parent/guardian notification. Continued offenses (physically harming him/herself, another child or teacher, safety concerns, and/or destruction of school property) may lead to suspension or removal from the program. If at any time we are unable to meet a student's behavioral, social, developmental or emotional needs, we reserve the right to refer a family to other outside agencies. The staff will never use physical punishment, ridicule, profane, threatening or abusive language, or deny food or drink as punishment.

### **P.5.2 Child Abuse and Neglect**

Junior Academy maintains an affirmative policy to protect children from abuse and neglect, as spelled out in the current statutes of the Commonwealth of Kentucky. All suspected cases of abuse or neglect will be reported to CPS (Child Protective Services) at 502-595-4550.

Please refer to "Appendix D: Child Abuse and Neglect" for more information.

### **P.5.3 Biting Policy**

When a child bites, he/she is immediately removed from the situation and placed in the school office. As a consequence the child will remain in the school office for a minimum of 1 minute per year of the child's age. Parents will be notified of the incident and asked to sign an incident report, which will be kept on file in the school office.

When a major offense (bites that break the skin or repeated biting) occurs, the child will be sent home. A third biting incident will require a parent conference to discuss further action. Continued offenses may lead to suspension or removal from the program.

When a child has been bitten, the wound will be cleaned with soap and water and any other necessary first aid will be applied. Parents will be notified of the incident and asked to sign an incident report, which will be kept on file in the school office.

## **P.7.0 MISCELLANEOUS**

### **P.7.1 Clothing Regulations**

Children should be dressed in play clothes with simple fasteners allowing them to be independent in caring for personal needs. Please follow these guidelines:

1. No belts, buttons, snaps, shoulder straps or suspenders.
2. Closed-toe shoes and socks are required of all students. Velcro fasteners are preferred.
3. Long pants are best in cold weather.
4. A change of clothes, both summer and winter, including socks and underwear, needs to be sent to school in a zip-lock bag. Please label each item with your child's name.
5. Please have little girls wear shorts under dresses.
6. Be cautious of scary or grown-up theme pictures on shirts.

### **P.7.2 Personal Items**

Parents are asked not to permit a child to bring toys, candy, gum and/or other personal items. They may bring a nap mate. We will provide a time for show and tell. All personal items must be brought in the school and taken out at specified times only.

### **P.7.3 Parties**

Due to food allergies, please check with your child's teacher before sending in any food item.

**Birthdays:** A simple **purchased** treat may be brought for snack time to celebrate (preferably individually wrapped cookies, fruit, cheese, etc.). Please advise your child's teacher when you plan to do this. If a drink is provided, please make it a box drink. A goodie bag may be supplied, but it is entirely up to the parent. Candles and balloons are not permitted.

**Special Holidays:** The Room Mother is responsible for calling to have party items sent in to the room and coordinating with the classroom teacher.

\*\*Christian Academy does not celebrate Halloween, therefore no treats are allowed in the classrooms that pertain to this holiday.

\*Any party invitations distributed at school must include each student in the class.

**Reminder:** Christian Academy focuses on the biblical meanings of Christmas and Easter.

### **P.7.4 Pictures**

Every child has a school picture taken during the first part of the year. Notifications will be given a couple of weeks in advance of the picture date.

### **P.7.5 Parent-Teacher Conferences**

Parent-Teacher conferences will be scheduled as needed. The teachers will send notes or call parents to share important information.

### **P.7.6 Parent-Teacher Groups**

The purpose of parent-teacher organizations is to assist in coordinating volunteers that will serve both the classroom students and the teachers and to assist in raising funds that will directly benefit and enhance the learning experience for students. The mission of these support groups is to promote Christian education and to create a greater fellowship among all parents, teachers, staff, and student body. They are a valuable asset to Christian Academy schools.

### **P.7.7 Problem Resolution**

Christian Academy encourages families to create a partnership with teachers and school staff focused on the development of their child. Open and frequent communication between teachers and parents benefits the students. Parents are asked to communicate directly with their child's teacher about any questions or concerns regarding their child's performance, school programs, class activities, etc. The Christian Academy staff is committed to assist parents in answering their questions or resolving their concerns.

If parents have difficulty in reaching resolution of an issue with their child's teacher/person of concern or if they reach an impasse over an issue, it is recommended that they use the following guidelines to seek further resolve. These guidelines are based on biblical principles for conflict resolution found in **MATTHEW 18:15-17**. It is the hope of Christian Academy that everyone work well together, communicate honestly with each other and maintain a mutual respect that will allow everyone to be examples of integrity.

If parents are concerned about a specific issue and they believe it needs to be resolved, they may use the following guidelines.

1. Notify the teacher and/or person of concern and meet to try to resolve the issue.
2. If after repeated meetings between these parties, the issue is not resolved, the parents may request a meeting with both the teacher and principal to discuss the issue. At this level the parents' concerns should be documented, with a clear explanation of the problem and the recommended resolution and submitted in advance to the principal.
3. If after this meeting the issue is still not resolved, the parents may request a joint meeting with the teacher, principal and/or Superintendent.
4. If the parents can show that the school staff has violated a biblical principle or established policy, or failed to follow established procedures in managing this matter, they may appeal to the Board of Directors in writing.

The intent of this policy is to enhance relationships between parents and staff for the benefit of students. Please note, however, that any potential or suspected harm to a student or illegal activity will be reported to authorities (See Section G.2.9).

## APPENDIX D: Child Abuse and Neglect

# Child Abuse and Neglect

### Intent Statement

This policy was developed to assist child care providers by providing guidelines for the detection and reporting of suspected cases of child abuse or neglect.

### Procedure and Practice

Any and all suspected cases of child abuse or neglect will be reported immediately to the Department for Community Based Services or the child abuse hotline without repercussion to any staff member. We follow Kentucky laws for reporting child abuse and neglect. Those who work with children are legally required to report abuse and/or neglect and cannot shift the responsibility of reporting to anyone else.

Known and suspected cases of abuse and/or neglect are reported to the **Child Protection Hot Line (1-877-597-2331)** or to the **Protection and Permanency** office of the county in which the child resides. The following link provides a local Protection and Permanency office search by county: [https://apps.chfs.ky.gov/Office\\_Phone/index.aspx](https://apps.chfs.ky.gov/Office_Phone/index.aspx)

Staff members accused of child abuse may be suspended or given leave pending investigation of accusation.

Suspicious that a child is in immediate danger will be reported to 911.

### What to report:

- A report should contain enough information to identify the child involved, any persons responsible for the abuse or neglect (if known), and the nature and extent of the maltreatment
- Include a word-for-word account, without editing, of what the child said and who was present when the child revealed the abuse
- Record the child's emotional state, gestures, and facial expressions and what was happening at the time the child revealed the abuse
- The report should also include a careful description of the size, shape, color, location and drainage of any obvious, physical injury, and, if necessary, a drawing describing the injury

### Pediatric Abusive Head Trauma

House Bill 285 requires that all child care professionals receive 1.5 clock hours of training on Pediatric Abusive Head Trauma every five years. Early Care and Education professionals must receive their first 1.5-hour training by the end of December 2013 and every 5 years thereafter.
