

CAI CONNECTION

The mission of Christian Academy is to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.

August 21, 2020

School Pass

Effective Wednesday, August 19, all daily wellness checks should be completed in School Pass. All parents should have received an email with instructions. If you have any questions, please contact support@caschools.us. We have transitioned to the School Pass app for submission of your student's Daily Wellness Check. Please download the app from the app store and complete the Wellness questions in the app. The wellness check form will no longer be available in FACTS, and you should submit your student's daily wellness via the School Pass app each day by 8:30 am. This daily home evaluation of your student's health is an important part of our compliance with state and local health department guidelines regarding COVID-19. Thank you.

Elementary News

Chapel-This week in chapel, Pastors Paul and Jen Harvey, Children's Ministers at Covenant Life Church, and parents to Kaden and Kai, shared the story from Mark 2 about the paralytic man's friends bringing him to Jesus for healing. They challenged us to surround ourselves with friends that make right choices and that help us get closer to God, as well as to be that kind of friend to others. Pastor Dan Weigleb, Music Minister at Memphis Christian Church, and dad to Lucas, Oliver, and Elijah, led us in worship. In our K-2nd grade chapel, we heard a piano selection from Eli Smith.

| 28 | MS Band Concert 6:30 pm at Community Park |
| 28-29 | Parent/Teacher Conferences K-5 |
| | 1:40 Dismissal for Elementary |

Weekly Warrior Spotlight

This week's Weekly Warriors are Mrs. Jenny Cook and her technology students. Mrs. Cook previously taught preschool, kindergarten and first grade. Her favorite part of teaching technology is realizing that she is never too old to learn something new, AND getting to see every grade level in technology class. She is most surprised by how much she enjoys the grade levels that she has never taught before. Second through fifth graders are awesome!

Mrs. Cook and her husband, Doug, live in Sellersburg with their three children; Stephen, Victoria, and David. Stephen and Victoria are both graduates of CAI and David is in eighth grade. Her children will tell you that her "favorite child" is a furry little Maltipoo named Bolt!

This week she would like to showcase the youngest technology students from Kindergarten. They have learned so much in a short amount of time. They are seen below learning how to use a computer mouse to play some fun games. Great job Kindergarten students!
