CASS Return to School Plan

Christian Academy has worked diligently since the spring to begin planning for students and staff to return safely to our campuses. In preparation for the 2020-2021 school year, task force members consulted a variety of resources to guide the decisions included in our digital CASS Return to School Plan. The purpose of this document is to provide your family with an overview of the healthy and safe practices Christian Academy School System has adopted to optimize the safety of our students, families, and employees during the school year and contingencies in case we need to transition to Remote Learning. This document will be updated as new information concerning COVID-19 becomes available. Thank you all for how patient and cooperative you have been during the beginning of this school year. We are so glad that we have been able to begin in person, in a large part because of your cooperation with the COVID-19 requirements.

News from Nurse Driver

Daily Health Checks-Please log onto your FACTS Family Portal account every day and complete a Daily Health Check by 9:00 am for each one of your students. This is a requirement in order for us to be compliant with the local health department guidelines regarding COVID-19. If you have any questions, please contact the school nurse.

Elementary News

Chapel-Mrs. Allison explained our Bible verse for the year, Philippians 4:4 "Rejoice in the Lord always. I will say it again: Rejoice!" She shared with us how Paul was in prison when he wrote this verse and that he chose to be joyful. She reminded us that even when we feel sad or lonely or angry, we can choose to rejoice in the Lord and be kind to others.

Lunch Menu Substitution-On Thursday, August 6, the cafeteria will be serving pineapple chunks instead of orange slices.

Elementary Morning Car Line :

- All elementary students must be dropped off through the car line. Students may not walk up from the parking lot unless they are being dropped off for Before Care or families are also bringing a Junior Academy student.
- Please have your student remain in the car until their temperature has been checked.
- Students should be ready to exit the car as soon as the car stops with their backpacks and lunch boxes in hand and seat belts unbuckled.
- Masks should be on before exiting the car.
- Please pull up as far forward as you can before stopping.
- Please stay in your car; the staff are there to assist your child.

Elementary Afternoon Car Line:

- If you are picking up at the Kindergarten, 3rd, or 2nd grade doors, please remain in the outside lane until you get to your designated pick up area.
- If you are picking up at the 1st, or 4th/5th grade doors, please remain in the inside lane.
