

WEEKLY THEME:
-LOYALTY-

Loyalty comes into play in many ways in athletics. Being loyal to your teammates and coaches is a given! Loyalty is seen in commitment, devotion and faithfulness. One who is loyal will perform for their team. They will invest, grow and seek to learn. Sometimes that's seen in performing a specific role for your team. It doesn't only apply to the "stars" on the team. On a good team, all members are "stars" and critical to the success of the whole. Being a loyal teammate means you are willing to do the little things well, you are attentive to the goals and purposes of your team. It means knowing your team really well and caring about them! It's also true that loyalty in our walk with Christ is important as well! Do you do the little things every day that it takes to build a relationship with Christ?

As always - GO WARRIORS!

-TRANSFORMATIONAL PURPOSE-

In this section, we will highlight one of the CAI Coaches and their Transformational Purpose Statement, which will be recognized on social media as well. A transformational purpose statement is a great reminder for us on the reasons WHY our coaches coach. It's more than just the scoreboard for them!

SPRING TEAM PHOTOS

We are in the process of collecting spring team photos. What this means is we need a photo from every spring sport athlete to include in a team photo "mash-up." We have completed four so far and two are highlighted below. If your child hasn't already submitted their photo, please do so today! We want to include everyone but need your help. These will be included in the yearbook and in the Commons entrance area.
