PLANNED GIVING

FOUNDED 2014

The Childers Society was established in 2014 and recognizes those who have remembered Christian Academy through major gifts and planned giving. This society was created to honor the legacy and heritage of Christian Academy and to pay respect to the visionary leaders who have played a significant role in the school's growth.

Participation begins with planned gifts and ends with students gaining an inheritance of loving and serving the Lord. Without the leadership, strong faith and financial contributions to Christian Academy from these individuals and organizations, the school would not be where it is today. The Childers family passed their faith down for generations and now hopes others will continue that legacy through the Society.

One of the most common planned gifts is a bequest from your will or estate or even from a life insurance policy. Planned Gifts also include charitable bequests, charitable trusts, gift annuities, and other gift vehicles. Such gifts can be funded with many different types of assets, including real estate, retirement assets, securities and CDs.

As you think about your legacy, please consider making a planned gift to Christian Academy and please let us know when you do. Talk with your financial planner for best ways to make a gift.

For information on joining The Childers Society and/or making a planned gift to Christian Academy, please contact the Development Office at 502-753-4524.

CHRISTIAN ACADEMY SCHOOL SYSTEM'S CRISIS TUITION FUND

SUPPORTING TEACHERS, TECHNOLOGY AND TUITION

We know that first and foremost our hope and trust is in our Lord and Savior Jesus Christ and we continue to pray for His peace and comfort in the world, for our nation, for our community, our families, students, faculty and staff as we continue to face the COVID-19 crisis.

Christian Academy School System continues to be committed to offering a Christian Education for all who desire it. We are committed to be there for those in need.

We anticipate the cost of tuition for many families will be a burden this fall, and as we work to ensure Christian Education can remain affordable, we have created a dedicated Crisis Tuition Assistance Fund. This fund will be solely used to help families who are experiencing extra hardships during this time.

We know times are uncertain, but we also know that God is good! And, now more than ever before we need to live our mission, “to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.”

If you feel called to support this fund you can do so online by going to www.caschools.us/ways-to-give or you can mail your gift to: Development Office, Christian Academy School System, 700 S. English Station Road, Louisville, KY 40245

► If you live in Southern Indiana or have a business that pays taxes in Southern Indiana, you may want to consider helping with tuition assistance by making a gift to the Scholarship for Education Choice program. You can make a donation to the CAI Fund through the Sagamore Institute and you receive a 50% tax credit (not just a deduction) on your gift that offsets your Indiana state tax liability. Give online by going to <https://scholarshipsforeducationchoice.com/cai/>. All dollars donated to this program go to tuition assistance for our Indiana students who might need help. If you have questions, call Becki Rucker, our Development Director for Indiana and Southwest campuses at 502-400-5411.

PASSING THE MANTLE AT CHRISTIAN ACADEMY

FAREWELL TIM GREENER AND WELCOME DARIN LONG

Pictured Darin Long, Bill McKinley and Tim Greener

For over 44 years, Christian Academy has been blessed with leadership who has embraced the mission to raise up students with a heart for God. Twenty-two of those years have included the influence and guidance of Tim Greener. This fall, the role of superintendent will pass from Tim Greener to Darin Long.

During Tim's time at Christian Academy, he has served as High School Principal, System Assistant Superintendent and twelve years as Superintendent. We have received three Blue Ribbons of Excellence from the U.S. Department of Education and ACSI's first Exemplary Accreditation rating. In addition, the Schools of the Arts and Biomedical Science as well as sports mission trips were developed under his watch. Most importantly, thousands of students have been guided to pursue a higher purpose in their lives to learn and live as ambassadors for Christ.

This succession has been in the works for some time. Darin Long has keen insight into both Kentucky and Indiana campuses and brings a strong combination

of relational leadership, communication and vision. Darin has served as Director of Athletics for all Kentucky campuses, High School Assistant Principal for English Station and High and Middle School Principal at our Indiana campus. He complements his 14 years with Christian Academy with six years of teaching and administrative experience with JCPS's Iroquois High School. Teachers, students and parents recognize Darin for his innovations in instilling a passion for Christ and for building community and relationships within schools.

We wish Tim Godspeed as he moves on to his next adventure and we are grateful and blessed to have Darin's leadership as we seek God's continued direction for Christian Academy.

ALUMNI SPOTLIGHT

CAROLINE HUSBAND, CLASS OF 2018

I am a junior at Bellarmine University studying Exercise Science with an emphasis in Health and Wellness, with plans of being a Physical Therapist. As part of Bellarmine's accelerated DPT program, I'll be applying for graduate school this fall. I often look back at my high school experiences at CAL and try to grow from them in my life now. Christian Academy taught me to be involved and stand out from the crowd. At Bellarmine, I am involved in the Exercise Science Association, Pre-PT club, Bellarmine Christian Fellowship, and am excited that this fall I'll be running Division I Cross Country and Track!
