

# Tuition Assistance

## Frequently Asked Questions

### **Why Consider Financial Assistance?**

Christian Academy is committed to making Christian Education as affordable as possible. Nearly 30% of our CAL students receive tuition support through financial assistance and discount programs, totaling over \$1.8 million in support.\* We recognize the sacrifices of a Christian lifestyle and take medical expenses as well as charitable contributions into account.

### **Who May Qualify for Tuition Assistance?**

All prospective and enrolled Jr. Academy-12th grade students may apply. For existing students, information regarding tuition assistance is included in the re-enrollment information distributed at the first of the new calendar year. New families may contact the Tuition Assistance Coordinator for information.

### **How Do I Qualify for Tuition Assistance?**

A third party administrator, FACTS Grant & Aid Assessment (FACTS), is used to determine eligibility. A family's application along with financial information goes directly to FACTS. All tuition assistance awards are based on need (as determined by FACTS) and the total amount of assistance available. Tuition assistance awards may vary each year. Families must re-apply each school year.

**The 2020-2021 FACTS tuition assistance application for current families will be due March 13, 2020.**

### **Do Christian Academy of Louisville students qualify for School Choice of Kentucky Scholarships?**

Yes. Please visit the Christian Academy of Louisville website or contact the Tuition Assistance Coordinator for assistance.

### **What exactly is a School Choice of Kentucky Scholarship?**

School CHOICE Scholarships is a non-profit organization that provides scholarships for low-income children who live and attend school in Jefferson and Oldham Counties with scholarships so they may attend the private school of their choice.

\*\$1.3 million was awarded in need-based assistance through Tuition Assistance and School Choice of Kentucky scholarships
