System Wide Goal \$400,000

WHY DO WE NEED THE ANNUAL FUND?

The tuition costs and fees simply don't cover the entire cost to educate our students. With a budget this school year of \$26 million to operate our four campuses, we have a deficit of \$400,000. Where do we make up those dollars, especially in a year like this year? Through your help and support of our Annual Fund efforts. In lieu of the Gala, in 2021 we are planning a Celebration of Education.

HOW WILL MY DOLLARS MAKE AN IMPACT?

- Tuition assistance
- Teacher retention
- Security upgrades
- Technology upgrades
- Classroom needs

WHAT ARE THE NEEDS?

Your dollars help with **TUITION ASSISTANCE** for EDUCATION EQUALITY for any family wanting a Christian education. This school year we have provided need based assistance to 657 students, over 20% of our 4 campuses' population.

Your dollars help sustain and help **TEACHERS** directly. Our teachers see their role at Christian Academy as a ministry.

Your dollars help grow **TECHNOLOGY** and COVID19 resources:

- Chromebooks to balance 1:1 ratio (at cost of \$250 each) so all students have access to Christian Academy no matter their situation
- Air purification system installed at English Station and Indiana campuses at a cost of \$30,000 per unit per year, with total project cost of \$150,000
- Additional teachers to support e-learning

“

Christian Academy has brought great teachers in my life who have done very well at answering the hard questions of faith, and caring for me and showing Christ's love through their actions.

”

“

“I love how Christian Academy is a place where we can talk about the Lord freely, a place where we can meet during break to pray over a friend who may be struggling or even be prayed over and a place where teachers and faculty pour into us daily.”
