4/5/6 Girls Basketball

*Check with your coach for the schedule and please be sure to be on time, dressed and ready to go!

-WINTER SPORTS SEASON-

With the winter sports season upon us, and as we prepare for what lies ahead, our department reflects on the many things we've encountered through the fall sports season. The thing that pops to top of mind for us is the flexibility, patience and understanding of our athletes, coaches and families as we faced new and unusual challenges. Our top priority throughout the fall was **"to do our part so the kids could play"** and Warrior Nation did a great job of joining us in these efforts. Between masks, temperature taking, fan limitations and social distancing, we appreciated the way our community embraced these areas to help us keep our athletes competing and fans in the stands to support them.

As we move into the winter season, we ask that you once again join us in the effort **"to do your part so the kids can play!"** While we don't know what tomorrow holds, we are thankful for your flexibility and understanding as we do our very best to charter some unknown waters.

Thank you for your support, encouragement and continued Warrior Pride! We LOVE seeing our athletes compete, practice and bond as a team. Nothing brings us more joy in seeing our athletes also be an example of Christ's love to others, both inside and outside of Warrior Nation! Whether it's post-game prayers, or just the light and testimony of how our athletes and parents carry themselves throughout competition, and in light of the things they are asked to do in order to **"Do our part so the kids can play!"**

Keep up the good work Warrior Nation! We look forward to seeing you in action on the hardwood and range this winter!

-WEEKLY SUMMARY-

VARSITY CROSS COUNTRY

Alex Pinckney completed his Freshman Cross Country season with a very gritty performance at the Semi-State Meet. About 15 seconds into the race, Alex was tripped, but got right back up and raced with grit and determination for the rest of the 5K race. At this level, the fall was difficult to overcome, but Alex maintained his position throughout. However, he found difficult to move to the front of the pack in such a competitive race. Alex finished in 75th place, with a time of 17:06. He was also the 5th freshman to cross the finish line. Alex had a terrific season, including the great honor of racing at Semi-State. The future is very bright for this young man!
