News from the CAL-SW Saints—January 8, 2021

Dear Southwest Family,

Happy NEW Year 2021! I am so thankful to be back in person! It is a pure joy to see all the faces (even with masks on) and to hear the building buzzing again. I don't know about you, but Christmas break was different. However, it was still CHRISTmas break. A scripture that I have known for years has additional truth and meaning to me. It is Hebrews 13:8, "Jesus Christ is the same yesterday and today and forever." Jesus does not change. He is the same Messiah, Savior, the Way, the Truth, the Light and Life we so desperately need since the beginning. I expect change this year, don't you? I want God to keep transforming me and this heart for His glory.

As we come back to school there are some changes in morning carpool dropoff procedures. Due to the cold temperatures and the need for accurate temperature readings, students need to be ready when you reach the first carpool group. They need to have their belongings in hand, masks on, and exit the vehicle. Temperatures will be taken in the entry of the school. It is so important for your child to be ready. If you need to park and get ready, please do that in the preschool or school parking lot. Do not stop and park in the driveway for safety purposes and so traffic can flow and move freely. When your child exits the car they need to walk with purpose. If your child has a high temperature reading they will come back out to you.

Our theme for the year continues to be "Loving God" from Matthew 22:37-39: "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself." It is all about a relationship with Jesus. It is who He is and what He has done that defines us. The longer I am a child of God the more and more I am humbled by this great relationship that God provides through Jesus Christ.

Happy New Year, Southwest Family! May we all be changed and grow in our relationship with Jesus Christ.

Thankful for each and every one of you,
Mrs. Carson

REENROLLMENT FOR 2021-2022

The start of a new year initiates our reenrollment process. Children who currently attend Christian Academy, junior academy through 11th grades (with the exception of JA-4 entering kindergarten), who will be returning for next school year must reenroll in January. The reenrollment deadline for the 2021-2022 school year is **January 20, 2021**. Reenrolling by this deadline is always very important, especially this year as we have been blessed with many families wanting to join us next year. We want to continue to serve your family and would not want you to lose your spot, as immediately after reenrollment we will begin placement of new families seeking to enroll their children at Christian Academy.

EDUCATION OPPORTUNITY ACCOUNTS

House Bill 149 and Senate Bill 25 have been filed and would create an educational choice program for Kentucky families. Please call or email your State Representative and Senator today and ask them to support and co-sponsor these bills. You can call 1-800-372-7181 and the operator will leave a message for your State Representative and Senator based on your home address.

Education Opportunity Accounts are privately funded by citizens and businesses who donate to non-profit Account Granting Organizations (AGOs). The AGOs then use the donations to award needs-based funding to eligible families. Funding can be tailored to a student's specific needs and used for K-12 public and non-public school tuition and fees, online learning programs, tutoring services, therapy programs, transportation to and from school, and more.

COUNSELOR'S CORNER

Hello Southwest Family,

I am so thrilled to see students back in the building! In Elementary Classroom Guidance this month we are focusing on determination. Why should we try? Social Emotional Learning lessons are still going as well. For Middle School we are finishing up some discussions on mental health this month with coping skills and a pledge called "B1." We all want to be 1 friend for someone who is struggling emotionally if we see the signs we have learned to look for, and then reach out to a trusted adult on their behalf. Looking ahead, next month we will have our annual Growth and Development discussions for 5th and 7th grade students. A form will go home with more information on this in the coming weeks. I am so grateful to God for a successful time of remote learning and looking forward to his blessings in this new year!
