Important Note from the School Nurse

We are all looking forward to the second half of the school year, but I wanted to remind you of our COVID-19 procedures, as outlined in the CASS Return to School Document (see link in the weekly News and Events email).

By sending students to school Parents/Guardians are declaring their students are free of COVID-19 symptoms and have not been exposed to someone who has tested positive for COVID-19. Violation of this requirement could potentially result in 14 days of isolation for attendees of an event, a school function, or a class. Anyone who believes he/she may have been exposed to a COVID-19 diagnosed individual should not be present on campus.

If your child is being tested for COVID-19 they should not return to school or after-school activities until the test result has been received.

Please contact the school office as soon as a positive COVID-19 test result has been received due to the time sensitive nature of contact tracing.

Thank you for your partnership as we all work to keep our students safe and healthy!

School Pass-Please enter your student's wellness check into School Pass **every school day**. CAI has implemented School Pass to meet the Indiana requirement that parents attest to their student's health each day before coming to school. We need 100% compliance with this program, so if you are having issues or need instructions, please email support@caschools.us.

School Pass invitations were only sent to the parent that is listed as the primary parent in the FACTS Parent Portal. If you do not have a School Pass account, please email support@caschools.us and they can assist with getting that account set up. If custody is shared, each parent can have their own account. The daily wellness entry should be made by the parent who evaluates the student the morning before school.

Elementary News

Chapel Mrs. Jenny Davison, K-12 counselor, and mom to Holly, shared with us about serving others. She reminded us that we all have different gifts and talents that God has given us to serve others. She challenged us to find ways to serve others with a happy attitude. Pastor Carman Hammond, dad to Judah, Levi, Natalie, and Emily, led us in worship.

Weekly Warrior Spotlight

This week's Weekly Warriors are Mrs. Lamb and her 2nd graders-Mrs. Lamb has been teaching at CAI for 3 years. She has been married to her husband Cory, for 17 years. They have two children: Harrison, a 6th grader at CAI, and Greyson, a 4th grader at CAI. Mr. Lamb is the minister at Northside Church of Christ in Jeffersonville, and she teaches ladies classes. Mrs. Lamb enjoys reading, hiking, biking, camping and traveling on vacations.

Mrs. Lamb's class has enjoyed Bible stories and making them come to life by imagining life in each scenario, reading any book they can pick up, and seeing how math works in real life. They like to mix up eating lunch inside and outside and play hard no matter where they have recess. Everyday they are learning to love others like Jesus loved us.
