

CAI CONNECTION

The mission of Christian Academy is to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.

Elementary News

Chapel- In our K-2nd grade chapel, Ms. Nokes' class shared Bible verses about praising God and led us in singing "Waymaker" by Michael W. Smith. We heard a piano selection from Wrigley Lorigan. In our 3rd-5th grade chapel, Mrs. Crawford's class shared the creation story and ways they see God in nature. Mr. Adam Carbone led us in worship.

Weekly Warrior Spotlight

This week's Weekly Warriors are Mrs. Roy and her first graders. Mrs. Debbi Roy has served at Christian Academy for the last 8 years. She has been married for 24 years to Jerrett, a pilot/mechanic for Hanaker Aviation, and they have three children. They have lived all over the United States as well as spending 8 years as missionaries in Indonesia. The Roys settled in Indiana in 2013 to be close to family. They were excited to find a great Christian school for their children to attend and have been blessed to be part of the CAI family. Joshua graduated from CAI in 2017 and IUS in 2020 with a degree in Public Relations. Joanna graduated from CAI in 2020 and currently attends IUS. She is also known as "Miss Joanna" to all of the aftercare students she works with at CAI. The youngest Roy, Lydia, is a sophomore at CAI this year. The Roys attend Sojourn Community Church where Mrs. Roy and her husband are involved in the Grace Marriage ministry. In her free time Mrs. Roy loves to read, spend time outdoors, visit her family and the beaches in North Carolina, and play board games.

Mrs. Roy's class is a very fun and social group. They are quick to help each other and pray for each other. This week they celebrated the 100th day of school with a 100 Froot Loops necklace, sharing 100 items, the 100 cup stack and much more. They are also working on thinking of 100 ways that they can show God's love to others. In social studies, they are learning about towns and each student is using the Chromebook to plan out their own town during library time with Mrs. Johnston. They even get to be the town government and make their own laws. This is truly a creative bunch! Mrs. Roy's class also loves being outside. Before the weather got cold, a lot of recess time was spent looking for bugs. Mrs. Roy is thankful for the chance to teach each of these children!
