

The mission of Christian Academy is to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.

## School Pass

Even though we are stopping the temperature checks for students, we need each of you to continue to monitor your child's health and keep them at home if they have any Covid symptoms, have come in contact with anyone that has been Covid positive, or if your child or a family member is waiting for Covid test results. Also, please continue to complete your daily health check in SchoolPass each morning.

SchoolPass has been implemented to meet the Indiana requirement that parents attest to their student's health each day before coming to school. We need 100% compliance with this program, so if you are having issues or need instructions, please email [support@caschools.us](mailto:support@caschools.us).

School Pass invitations were only sent to the parent that is listed as the primary parent in the FACTS Parent Portal. If you do not have a School Pass account, please email [support@caschools.us](mailto:support@caschools.us) and they can assist with getting that account set up.

If custody is shared, each parent can have their own account. The daily wellness entry should be made by the parent who evaluates the student the morning before school. If you have questions about whether to bring your child to school, please don't hesitate to communicate with our school nurse, Mrs. Linda Driver.

# Weekly Warrior Spotlight

**This week's Weekly Warriors are Mrs. Hayley Carbone and her 5th graders-**Mrs. Carbone has been teaching 5th grade at CAI for two years. She enjoys reading, painting, and making music with her husband. Mrs. Carbone is married to Mr. Adam Carbone, the Middle School Band Director. They attend Sojourn Midtown Church and share leadership of their community group. Currently, their biggest project is renovating their new home in New Albany!

Mrs. Carbone loves her 5th graders! They are very curious about the world around them, and they ask great questions. Even though this year has not been easy with COVID procedures, she can always count on someone to make her laugh for the day. It especially makes her heart smile as she sees them asking those life changing questions of who Jesus is to them.
