

CAI CONNECTION

The mission of Christian Academy is to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.

Elementary News

Chapel-Pastor Larry Riley, Lead Pastor at Graceland Church, talked to us about God's love for the whole world and about his trip to South Sudan. He challenged us to tell others the good news of Jesus. Pastor Ryan Brown, Executive Pastor of Gatherings at Graceland Church, led us in worship. In our K-2nd grade chapel, we heard piano selections from Henry Heir and Nate Begle. In our 3rd-5th grade chapel, we heard a piano selection from Genevieve Burke.

This week's Chapel links:

24-April 1	Spring Break, No School K-12, JA Part Day
April 2	Good Friday, No School JA-12

Philippians 4:4 "Rejoice in the Lord always. I will say it again: Rejoice!"

Weekly Warrior Spotlight

This week's Weekly Warriors are Mrs. Jessica Crawford and her 5th graders. This is Mrs. Crawford's first year at CAI and she is loving it! Jessica moved up to Kentucky from Orlando, Florida, in January 2020 after getting married the month before. She and her husband live in Louisville with their labradoodle, Leo. They just recently bought a house that they are fixing up and have been enjoying it so far! They attend First Baptist Church of Fairdale where Andrew leads worship and Jessica plays piano alongside him each week. Some of Mrs. Crawford's favorite things to do are bake, hike, play piano, and spend time with loved ones.

Mrs. Crawford's 5th grade class is smart, spunky, and fun! They love to play games, be outside, and also enjoy debates and discussions. One thing that they have really enjoyed this year is learning history-whether it's the American Revolution or the Old Testament. They have learned that, no matter what time period, humans have always had a need for God's Grace.

School Pass

Even though we are stopping the temperature checks for students, we need each of you to continue to monitor your child's health and keep them at home if they have any Covid symptoms, have come in contact with anyone that has been Covid positive, or if your child or a family member is waiting for Covid test results. Also, please continue to complete your daily health check in SchoolPass each morning.

SchoolPass has been implemented to meet the Indiana requirement that parents attest to their student's health each day before coming to school. We need 100% compliance with this program, so if you are having issues or need instructions, please email support@caschools.us.

School Pass invitations were only sent to the parent that is listed as the primary parent in the FACTS Parent Portal. If you do not have a School Pass account, please email support@caschools.us and they can assist with getting that account set up.

If custody is shared, each parent can have their own account. The daily wellness entry should be made by the parent who evaluates the student the morning before school. If you have questions about whether to bring your child to school, please don't hesitate to communicate with our school nurse, Mrs. Linda Driver.
