On a cold and windy Thursday, the second match of the season pitted CAL against Manual, ending in an unfortunate loss of 1-4. However, Kaden McDonald used his killer serve and powerful backhand to deliver a 6-0, 6-2 win in his singles match. Luke Appling and Clay Stahl demonstrated great teamwork and grit in their doubles match victory. After starting the match 0-3, they fought back 7-7, ultimately winning the tiebreaker 7-4.

The skies cleared and the sun shone down, however the howl of the wind remained strong on Friday for the next match. The opponent was Oldham County High School, where Ian Royse found himself in a tough battle with the #2 seed in singles. Both players started strong, exchanging rapid-fire strokes in the first set. The duel was all even at 3-3 with both players exhibiting crafty shotmaking skills. Ian served for the first set at 5-4, but couldn't land enough serves and winners to get the final game. The even match continued into the second set, where Ian traded some creative shots, but ultimately yielded to the consistency of his opponent. Kaden McDonald's singles match was an exciting one to watch. Using his aggressive approach shot to attack the net, Kaden downed his

opponent 6-2, 6-0. CAL overtook OCHS for the afternoon to win 4-1!

CAL goes on to face Whitefield, South Oldham and North Oldham this week before pausing for Spring Break. Go CAL!

How long have you been playing tennis and have you ever coached tennis before? I've been playing tennis since I was in middle school, played all through high school, and played club tennis at Liberty University! This is my first year coaching and so excited for this season!

What made you interested in coaching at CAL? I became interested in coaching at CAL because as a teacher here at CAL Middle School, I have a passion for discipling and teaching girls to love Jesus through their talents and abilities. I am so excited to lead and disciple these girls to love Jesus through their love & ability to play tennis!

What are your goals for this year's team? My goal for the team this year is for the girls to HAVE FUN by growing in their love for Jesus, growing & sharpening their tennis skills, and to be unified as one team!

How does your relationship with Jesus shape your coaching style? My relationship with Jesus is what drives me to do all things THROUGH and FOR HIM. Coaching is a ministry and fellowship opportunity for students to gather together to worship and praise HIM through their gifts and talents. Because of this, my coaching style will be focused on joy, encouragement, endurance, faithfulness, and hard work.
