

# 2021-2022 SPORTS REGISTRATION

## Sports Registration is now OPEN!

As we look to the 2021-2022 school year, I wanted to draw your attention to sports registration for the upcoming school year and remind you of a few important details. There are additional details on page 2.

There are three things we will need taken care of prior to participation in summer workouts or season practices beginning.

1. Online registration through FACTS Family Portal (instructions below)
2. IHSA Physical packet (dated after April 1, 2021)
3. Concussion/Cardiac Arrest form (dated after April 1, 2021)

Once these three items are completed, your child will be cleared to participate in official practices. You can find links and information on all of these steps on the CAI Athletics homepage. Your FACTS account will be billed for the participation fee once final rosters have been sent.

Dear Christian Academy Families:

It is time to begin high school and middle school athletic registration! Please read all instructions below prior to beginning the registration process. You will be invoiced for the athletic fee at a later date. If you have any questions or problems, please reply to this e-mail or call the Christian Academy Athletic Office at 812-944-6200. We want this to be a convenience for you and allow us to be more efficient in the Athletic Office.

After registering online, the only items that you will have to mail in or bring by the Athletic Office are a hard copy of the completed IHSA Sports Physical Form and Sudden Cardiac Arrest/Concussion Form (physical and Sudden Cardiac Arrest/Concussion dated after April 1, 2021). Your child may not practice or tryout until the online registration is complete and the paperwork is turned in to the athletic office (this applies to summer workouts as well). The online registration will also place your child on the coach's official roster, which will include receiving communications and information about summer opportunities and the start of the season.
