UniKids, a not-for-profit organization, collects gently used and new school supplies and books to donate to students in orphanages and low-income families in Ethiopia and other developing countries .

Christian Academy Elementary Students will have the opportunity to donate their remaining school supplies to UniKids during the last week of school. If you would rather your child bring their school supplies home, please make sure to communicate that with your teacher. We are only collecting the used supplies on the list. We are not asking for new supplies to be donated, just what is remaining from the school year. Thank you for considering!

LOST & FOUND

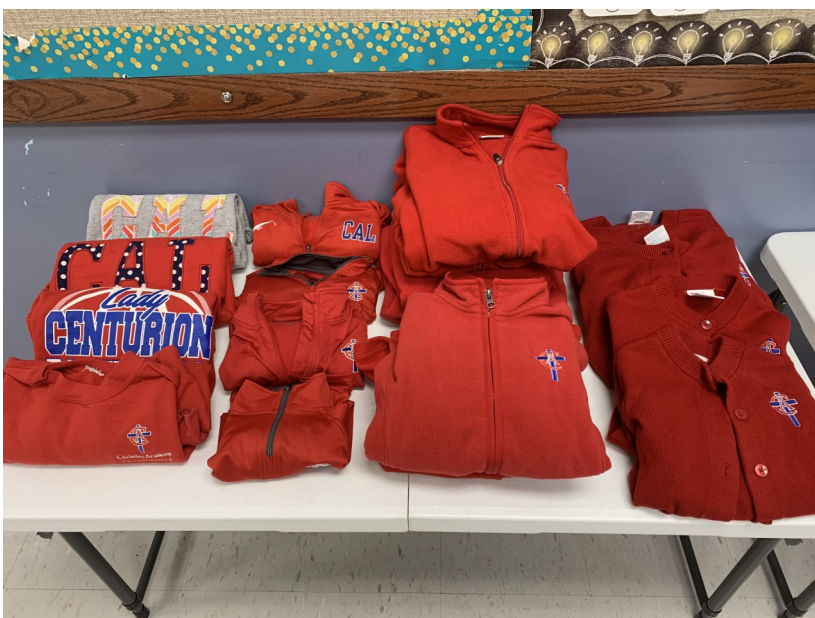

There is a collection of LOST & FOUND items at the elementary office. We have done our best to return items to their rightful owners if there were names in them. We still do have an assortment still left. Pictures of these can be found on *page 2* of this newsletter. There are many CAL accessories and other non-CAL items that are not pictured. If you are looking for a particular item, please email me at rmccarty@caschools.us, and I will do my very best to get that to your student. THANK YOU!

LOST & FOUND (continued)

Some of these items
