

ATTENTION PARENT(S) AND OR GUARDIAN(S) OF 11TH GRADERS

All students entering 11<sup>th</sup> grade are required to have a Meningococcal (MCV) booster shot. This is required by the state once a student is 16.

- **UPDATED IMMUNIZATION CERTIFICATES INCLUDING THE MENINGOCOCCAL BOOSTER SHOT ARE DUE JULY 28.**
- **FAILURE TO SUBMIT THE UPDATED IMMUNIZATION CERTIFICATE WILL PREVENT THE RELEASE OF YOUR STUDENT'S SCHEDULE/CHROMEBOOK AT THE HS BACK TO SCHOOL EVENT.**

If your student turns 16 after July 28, I have noted this on your student's file. The updated Immunization Certificate will come due 30 days after your student turns 16.

Please email all updated Immunization Certificates to [msoete@caschools.us](mailto:msoete@caschools.us) or doctor's offices can fax them to (502) 753 – 4547.

\*\*\* If there are extenuating circumstances, please contact me via email at [msoete@caschools.us](mailto:msoete@caschools.us). If you have already contacted me about an issue, I have it noted and it will not affect the release of anything.

\*\*\* If you have already submitted an updated Immunization Certificate, please disregard the above information.

If you have any questions please email me at [msoete@caschools.us](mailto:msoete@caschools.us). Thank you in advance for your attention to this important matter.
