Policies and Procedures

2021-2022

G.1.0 INTRODUCTION

For no one can lay any foundation other than the one already laid, which is Jesus Christ.
I Corinthians 3:11 NIV

This Family Handbook is intended to serve as a convenient source of information about Christian Academy School System. Please study it carefully together as a family upon receiving it, and keep it ready for reference during the year.

The following policies and procedures represent the most recent expression of the leadership of Christian Academy schools in order to provide for equitable and consistent treatment of students and families. Neither this handbook nor anything in it is a contract. To assure that Christian Academy schools achieve and maintain the purpose of this policy manual and to assure the organization's continued ability to meet its needs and those of its students and families under changing conditions, Christian Academy schools reserve the right to modify, augment, suspend, or revoke any and all policies, procedures, practices, and statements contained in this manual at any time.

Questions about policies or procedures should be directed to the appropriate school administrator. It is the goal of Christian Academy schools to endeavor to create an environment where Christ is honored every day and where there are few distractions to learning.

May God bless our school family as we work together to serve our Lord and Savior.

G.1.1 About Christian Academy School System

Christian Academy of Louisville (CAL) was founded in 1976 serving 120 students in grades one through six in classrooms located in two church facilities. In 1977, a middle school was added doubling the enrollment to 240 students. In 1978, classes were consolidated at 3110 Rock Creek Drive with an enrollment of 336 students in grades one through nine. In 1982, the first senior class was graduated with 19 students. To accommodate the increasing number of students, the middle school was moved to a separate campus on Sils Avenue in 1994.

In 1998, preschool also became an important part of the Christian Academy educational experience when the first Junior Academy was opened at the Rock Creek Campus. Junior Academies are now established on all Christian Academy campuses.

Continued growth led to the building of the facility on English Station Road, which opened in the fall of 1998. The English Station Campus served students in preschool through twelfth grade while the original Rock Creek Campus continued to serve students in preschool through fifth grade. With the opening of the second campus, the vision for a Christian Academy School System (CASS) started to become a reality. The leaders continued to pray for wisdom as they learned how to operate a school system without compromising core values.

As the English Station and Rock Creek campuses grew, members of the Southwest Louisville Christian community approached Christian Academy leadership requesting the opportunity for families to provide Bible-based education for their children. As a result, the CAL-Southwest Campus opened for the 2000-01 school year serving students in kindergarten through eighth grades on its campus located on St. Andrews Church Road.

The Christian Academy School System crossed the river to Southern Indiana in 2000 when Northside Christian Academy in New Albany joined the Christian Academy family of schools. A few years later, in time for the 2003-04 school year, Graceland Christian School, also in New Albany, joined the Christian Academy system. With the addition of Graceland, Christian Academy established a division for these schools under the name of Christian Academy of Indiana (CAI).

CAI inherited a rich history of Christian school education when the two Indiana schools merged. Prior to joining the Christian Academy School System, Northside had been in existence for six years. Northside Christian Academy

was started in 1994 by Northside Christian Church. Graceland Christian School was founded in 1969 by Graceland Baptist Church. Although both schools were originally established as educational extensions of their founding churches, the combined CAI student body represents families from more than 80 area churches.

By God’s blessing, increased enrollment created the need for additional space and a desire to expand the Christian school community in Southern Indiana. Therefore, Christian Academy of Indiana moved into a new facility in New Albany, Indiana for the 2005-06 school year serving students in kindergarten through twelfth grade.

In fall 2013, the Providence School opened at the Rock Creek campus for children with Down syndrome. The goal of Providence School is to provide as much inclusion for students as possible in typical classrooms while maintaining academic gain for each student. Providence School seeks to celebrate all students for the ways in which God has made them unique and wonderful in His image (Psalm 139:14).

During the first years of the Providence School, students in preschool and early elementary were admitted. As the program grew, the school continued enrolling students into upper elementary at Rock Creek and middle school grades at English Station. Beginning in the fall of 2021, the Providence School will serve preschool through eighth grade students at the English Station Campus.

During the 2020-2021 school year the decision was made to consolidate the Rock Creek Campus with the other Christian Academy campuses. All Christian Academy schools celebrated the foundational role that the Rock Creek Campus played in the development of the Christian Academy School System as Rock Creek students and staff joined the other CASS campuses. Rock Creek provided a rich legacy of top quality Christian education that impacted students, families, teachers, and staff for 42 years.

Ninety-eight percent of Christian Academy graduates go on to college. Seniors’ performances on college entrance exams are among the best in the Louisville/Southern Indiana area. Recent graduates, including National Merit Finalists, Governor’s Scholars, and students receiving appointments to the service academies, have received millions of dollars in scholarships.

The Christian Academy School System holds a distinctive place among educational institutions in the greater Louisville area by providing high-quality, affordable Christian education for more than 40 years. At the core of Christian Academy schools is a commitment to traditional education in a Christ-centered environment. Significant effort is directed toward reading and writing competency, math proficiency, and other areas of scholastic achievement in the context of a biblical worldview. A full complement and variety of extracurricular and athletic activities are also offered.

G.1.3 Statement of Faith

We believe that the Bible is the only inspired, inerrant Word of God.

We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

We believe that Jesus Christ is God Himself, came to earth in the flesh, was born of a virgin, and lived a sinless life. He died a substitutionary and atoning death on the cross. He arose bodily from the grave and ascended into heaven where He sits at the right hand of God.

We believe man was created in God's image and being descended from Adam inherited a sinful nature and is totally unable to save himself from the natural consequences of sin.

We believe men and women are saved and justified by faith in the shed blood of Jesus Christ and by accepting Him as Lord and Savior are born again by the Holy Spirit and become children of God. There is a spiritual unity of all believers in our Lord Jesus Christ.

The statement of faith does not exhaust the extent of our faith. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of doctrine, practice, policy, and discipline, the Superintendent, subject to review by the Board of Directors as appropriate, is the school's final interpretive authority on the Bible's meaning and application.

G.1.4 Statement of Sanctity of Life and Statement on Gender, Marriage and Sexuality

Statement on Sanctity of Life

We believe that all human life is sacred beginning at the moment of conception and ending at a person's natural death. Accordingly, every unborn child is a living human being, created in the image of God, and must be respected and protected both before and after birth. Direct or indirect volitional taking of any innocent human life by any means and by any individual or entity through abortion or euthanasia constitutes a violation of the sanctity of human life, and is a sin against God and a crime against man.

Statement on Gender, Marriage and Sexuality

We believe that God acts to give each person a gender by wonderfully and immutably creating each person as distinctly male or female. These two distinct, complementary genders together reflect the image and nature of God. Rejection, whether by personal volition or compulsion, of one's biological gender is a rejection of the image of God within that person and a sin against God.

We believe that the term "marriage" has only one meaning, which is marriage as created and sanctioned by God in which God joins one man and one woman in a single, life-long, and exclusive union, as delineated in Scripture.

We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other.

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that condoning, engaging in, or facilitation of any form of sexual intimacy outside of marriage is sexually immoral, sinful, and offensive to God.

We believe that any form of sexual immorality is sinful and offensive to God. Sexual immorality includes, but is not limited to adultery, fornication, homosexuality, lesbianism, bisexual conduct, bestiality, incest, pornography, and attempting to change one's biological sex or otherwise acting upon any disagreement with one's biological sex.

We believe that in order to preserve the function and integrity of the Christian Academy School System's, and its member institutions, commitment to traditional education in a Christ-centered environment, to act as a faithful and local component of the Body of Christ, and to provide Biblical instruction and modeling to the System's students, faculty, staff, families, and the community, it is imperative that all persons employed by Christian Academy School System in any capacity, who serve as volunteers, or independent contractors, should abide by and agree to our Statement of Faith and to this Statement on Gender, Marriage, and Sexuality and conduct themselves accordingly.

We believe that God offers redemption and restoration to all who confess and repent from their sin, who seek His mercy and grace, and humbly ask for His forgiveness through Jesus Christ.

We believe that every person must be afforded compassion, love, kindness, respect, and dignity; behavior or attitudes not displaying compassion, love, kindness, respect, and dignity which are directed toward any individual are unacceptable, must be repudiated, and are not in accord with Scripture, the doctrines of the Church, or the policies of Christian Academy as reflected in our Statement of Faith.

G.1.5 Mission Statement, Vision, Core Values

MISSION STATEMENT

The mission of Christian Academy is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. As such, Christian Academy considers its employees to be ministers of Christ to the students and families they serve.

VISION

The vision of Christian Academy is to ignite and transform students to impact our communities through world-class, Christ-centered educational experiences.

Vision: To have a vision means to powerfully dream and imagine. At Christian Academy, the vision that has been cast by our Board of Directors and Senior Leadership is based on biblical principles, and is intended to guide our school system for years to come, ensuring focus on Christ-honoring and inspirational goals.

Ignite: We intend for the faith of our students to catch fire, developing a personal and genuine relationship with Jesus, that will continue long after they graduate from Christian Academy.

Transform: We desire for our students to experience dramatic changes during their time at Christian Academy. In addition to physical changes as they grow and mature, their Christ-like character will deepen and become outwardly obvious as spiritual transformation occurs.

World-class: We strive for excellence in everything we do and seek to be the best-of-the-best in all endeavors; not because we want to be held in high esteem, but because God deserves only the best. He is Lord, He is master, and He has created all of us with gifts and abilities. We are committed to unleashing each person's gifts and abilities, and striving for high performance in all endeavors, for His glory.

Christ-centered: Being Christ-centered means we are focused on Jesus...His desires, His goals, the lifestyle He led, and the examples He set of how to love God and each other.

Educational experiences: We believe that teaching occurs in the classroom through instruction, and also through co-curricular and extra-curricular activities, and by engaging in service and missions opportunities. We desire for our students to learn rigorous curriculum that will challenge them academically, but equally important, we desire for them to develop their individual areas of passion and hearts for God.

Impact: Impact is about people, not programs. By seeking out, listening to and responding to needs locally and around the globe, we are the hands and feet of Christ.

Communities: We view community not as geographical locations, but people bonding together, supporting, encouraging and loving one another. We are all members of the body of Christ, and seek to bless others, and be blessed, through camaraderie and serving locally and around the globe.

Core Values

Christ-centered – We proclaim the Lordship of Jesus Christ in all of life. Christ alone through His sacrifice, death, and resurrection is the source of our salvation and the foundation of our Christian faith. He is the way, truth, love, and life.

Honor – We participate with all people as partners in God’s command to glorify Him by being faithful stewards of the time, talent, and treasure He has given us. In all relationships we seek to give honor where honor is due.

Respect – We love our neighbors as ourselves. In humility and gratitude we celebrate and care for people from all countries and cultures, all races and ethnicities, sharing with them the Gospel of Jesus Christ and the blessings of a Christian way of life.

Integrity – We recognize that excellence, honesty, purity, loveliness, wholeness, every good and noble thing comes from God and is our reasonable service unto Him. In every thought and action we strive to be testimonies of the character and peace of God.

Service – We serve God by serving others, applying our divinely-given individual giftedness in a manner that cares for our families through respectable enterprise and blesses both the church and the world. Our works of service are an expression of our faith.

Truth – We affirm the Bible as God’s infallible, trustworthy Word, which provides us with the principles and values we need for life and godliness. Because God is and has revealed Himself, we acknowledge the existence of absolute truth that forms a meaningful basis for education, morality, and life.

G.1.6 Philosophy and Goals of Christian Academy School System

The educational philosophy of the Christian Academy School System is based on a Biblical view of God, man, truth, and education. Since God created and maintains all things through His Son, Jesus Christ, the universe and all life are dynamically related to God and have the purpose of glorifying Him. This is especially true of man who was created in God’s image, different in kind from all other creation, with the unique capacity to know and respond to God personally and voluntarily. Because man is a sinner by nature and choice, however, he cannot, in this condition, know or honor God in his life. He can do this only by being born again through receiving Jesus Christ as Savior and Lord and thus be enabled to do God’s will, which is the ultimate purpose in life.

The entire process of education is seen as a means used by God to bring the student into fellowship with Himself, to develop a Christian mind in him and to train him in Godly living so that he can fulfill God’s total purpose for his life. He must be taught the Bible so he may understand God as well as his own nature and role as a person created in God’s image. He must be developed and related to God as a whole person, spiritually, mentally, physically and socially. He must learn to see all truth as God’s truth and to integrate it with his own unique abilities and personality. He must interact with and be taught by parent and teacher models who are themselves born again and have this perspective of life.

The authority for such an education comes both from God’s command that the children be taught to love God and place Him first in their lives, and from the fact that parents are responsible for the total education and training of their children. At the parents’ request the Christian school, along with the church, becomes a partner in giving this education.

The purpose of Christian Academy is to provide a Biblically-integrated instructional program in a disciplined environment that encourages spiritual commitment and academic excellence.

We believe, therefore, it is the responsibility of the school to be dedicated to:

1. Leading each student to a vital, personal relationship with God through faith in Jesus Christ;
2. Assisting each student in the development of a Christian mind and a Christian lifestyle;
3. Promoting a Biblical integration of faith and learning;
4. Developing a comprehensive educational program that helps each student achieve full academic potential;
5. Maintaining a diverse extracurricular program designed to assist each student in the development of social skills and the expression of individual personality;
6. Preparing and encouraging each student for effective service for Christ in whatever career he/she chooses;
7. Supporting and assisting the Christian home and the Bible-teaching local church.

To fulfill these responsibilities it is the goal of Christian Academy to:

G.1.7 Biblical Worldview

The mission of Christian Academy School System is to develop students with a heart for God who grow as Jesus did in wisdom, stature and in favor with God and men. To this end, students at every level are taught from a biblical worldview. A worldview is the framework from which each person views life. It represents their most fundamental beliefs and assumptions about the world in which they live.

As students develop a biblical worldview they will accept that scripture is the final authority concerning God's character, God's creation, God's truth, God's love and God's design. This biblical worldview is developed through the knowledge of Bible truths, application of scripture and the leading of the Holy Spirit. The goal of Christian Academy is to lead students to commit to biblical principles and truth as the structure for all that is taught: physically, mentally, socially, emotionally, and spiritually.

G.1.8 Diversity Commitment

In Genesis 1:26-27, God created humanity in His own image and gave them dominion over the earth. Christian Academy Schools provide students with an excellent education in a Kingdom-focused environment. Recognizing that God has created individuals in His image, Christian Academy values and cherishes the uniqueness and dignity of each person believing a diverse community creates a dynamic school.

Christian Academy opposes all forms of racism and prejudice that may cause anyone to feel undervalued and unworthy of human dignity. We pledge to intervene if we see moments in our classrooms, meetings, conferences, discussion boards, or students' work that may threaten and/or harm through stereotyping or silencing fellow image-bearers.

Diversity in our student body, families, staff and community builds a school environment where all are respected, valued and appreciated. A diverse community at Christian Academy supports sensitivity to ethnic backgrounds, feelings and individual physical characteristics of others, while developing appreciation for the God-given talents and abilities of those encountered throughout the world.

The Christian Academy beliefs are based on Galatians 3:28 that we are one family in Christ enhanced by embracing the differences God has designed in all of his creation.

G.1.9 School/Parent Partnership

Christian Academy values its partnership with Christian families in providing and promoting a biblical worldview in all aspects of life. Acknowledging that the parents and family are the primary educators of their children, a school/parent partnership has been developed to formally identify biblical truths, actions, and attitudes necessary for a biblical worldview. The school will work to teach and model these truths, actions, and attitudes and come alongside families in helping children build a biblical worldview. The written school/parent partnership agreement is available through the admissions or school offices. It is required for student admission and when the student changes school levels.

G.1.10 Accreditation

Accreditation is the recognition of schools for achieving and maintaining educational excellence and integrity. The designation of "accredited" is awarded by regional and national organizations that set standards for educational and operational performance and then monitor schools' compliance with those standards. The notation of accreditation on a student's transcript adds to the perception of its validity and credibility when reviewed by a school or college admissions administrator.

All Christian Academy PreK-12 schools are accredited by Cognia (formerly AdvancED), the parent organization of the North Central Association (NCA) and Southern Association of Colleges and Schools (SACS). Cognia is the major accrediting agency in the middle and southern U.S. and is a sister organization of other regional accrediting agencies across the country. Most public and non-Christian private schools pursue accreditation through Cognia.

In addition, all Christian Academy PreK-12 schools hold the distinction of Exemplary Accreditation with the Association of Christian Schools International (ACSI). In 2015, CASS schools were among the first in the country to host a review conducted by the ACSI National Accreditation Commission. The exemplary criteria are for those schools which have reached an influential level of distinguished organization, achievement and operations. CASS received ACSI Exemplary Accreditation renewal in 2021.

ACSI accreditation further enhances the value of a Christian Academy education. Other Christian schools and colleges recognize it as validation of achieving the high standards required to attain it.

All schools meet the standards of the states in which they reside. CAI is accredited by the State of Indiana and Kentucky schools are certified by the Commonwealth of Kentucky. Kentucky does not accredit schools independently, but certifies schools that are accredited by recognized agencies including ACSI, Cognia (AdvancED/SACS), or the Kentucky Nonpublic Schools Commission.

All schools in the Christian Academy School System are accredited, certified and/or licensed by the following organizations:

Kentucky

- Association of Christian Schools International (PreK-12)
- Cognia (formerly AdvancED/Southern Association of Colleges and schools) (PreK-12)
- National Council of Private School Accreditation
- Kentucky Non-Public School Commission

- Commonwealth of Kentucky

Indiana

- Association of Christian Schools International (PreK-12)
- Cognia (formerly AdvancED/North Central Association) (PreK-12)
- National Council of Private School Accreditation
- State of Indiana

G.1.11 Board of Directors

A Board of Directors governs Christian Academy. Board members serve a minimum of three years with new members elected each spring. The primary function of the board is to set school policy. The Board of Directors reviews, analyzes and revises policy where necessary.

The Board oversees the Superintendent and Executive Director who effectively implement the procedures that carry out the policies set by the Board of Directors. The Superintendent is responsible for carrying out the mission of the school system and overseeing the academic and spiritual functions. The Executive Director is responsible for the operations necessary to support the schools' pursuit of the mission.

Members of the Board for the 2021-2022 school year are listed below.

- Sarah Butler
- Matt Chalfant
- Jason Chambers
- Kyle Doezema
- Jennifer Hickman
- Angela Nash
- Jeremy Nelson
- Phil Russell
- Paul Tran
- Byron Walters
- Scott Watkins

G.2.0 GENERAL POLICIES AND PROCEDURES

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

Colossians 3:17

G.2.1 Admission

Subject to the faith-based standards and beliefs stated in the Christian Academy policies and procedures, Christian Academy School System admits students of any race, gender, color, nationality or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, gender, color, nationality or ethnic origin in administration of its educational policies, admissions policies, tuition grant program, athletic and other school-administered programs.

Christian Academy was established on the biblical principle that God gives parents the primary responsibility for educating their children. The school enters into a partnership with parents and Christian educators to teach academics in the context of a Christian worldview. Christian Academy's policy is to offer enrollment to students of Christian parents who desire a Bible-based education with academic excellence for their children. The Christian Academy staff partners with families who also teach their children what it means to have a Christian lifestyle regarding personal and family relationships, such as demonstrating love for others, exhibiting a teachable spirit and sharing the belief that a biblical marriage is limited to a covenant relationship between a man and a woman (Matthew 19:4). (See Section G.1.4)

Notwithstanding anything else in this handbook, Christian Academy reserves the right to select students and families on the basis of academic performance, Christian commitment, lifestyle choices and personal qualifications including a willingness to cooperate with our administration and policies. Therefore, Christian Academy reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue the enrollment of a student on the basis of, but not necessarily limited to, the inability to support the moral principles of the school and/or the inability to maintain a lifestyle consistent with the Christian Academy statement of faith, mission, values, philosophies and goals, and any related policies and procedures. (Romans 1:24-32, Galatians 5:19-21)

G.2.2 Carpool Information

As parents update information in FACTS Family Portal, there is an option to share contact information with other Christian Academy families interested in carpooling. On the Custodial Parent Demographic form, mark "yes" when asked if you would like to share contact information. This will give school offices permission to share your contact information with others wishing to carpool. This option is for families of K-12 students ONLY. Jr. Academy students are not eligible to carpool.

G.2.3 Fundraising

The costs involved in operating Christian Academy School System significantly exceed the amount that is charged in tuition and fees. Therefore, we ask that the school community support the ministry of the school above and beyond tuition and fees, as they are led by God to do so. Christian Academy School System's ALL IN Campaign is designed to bridge the gap between tuition and operating costs by supporting the Annual Fund. This is achieved each year through voluntary tax-deductible gifts from parents, grandparents, staff, alumni and the community. Through these gifts, we are able to provide students with an academically advanced Christ-centered education.

The Christian Academy Gala is the main fundraising event for the school system and proceeds go to support the Annual Fund to benefit each campus. Everyone is invited to be part of this event. There are other campus specific fundraising events throughout the year led by the Development Office, the athletic departments, and the PTO for each campus. There are other opportunities to give back to the school through in-kind donations, volunteer opportunities, fundraising events or planned giving to assist in meeting needs in the future.

Approval from the Director of Philanthropy and Communication must be obtained for all school-related fundraising Philanthropy and Communication at (502) 244-3225.

Materials selected shall cover appropriate levels of difficulty, promote a diversity of appeal and present various points of view.

All materials selected are to support and enhance the philosophy and mission statement of Christian Academy and should in no way undermine these basic principles. In accordance with this policy, items that objectively present varying viewpoints on controversial topics or that include questionable words for emphasis may be considered for purchase if they have been determined useful for instruction and for teaching a biblical worldview.

Literature materials are selected according to a certain criteria. Reputable, professionally prepared selection guides are consulted, as are bibliographies and professional recommendations.

G.2.6 Marketing, Public Relations, Branding and Logo Usage

The Director of Philanthropy and Communication provides oversight to all Christian Academy School System branding, logo usage, marketing, communications and public relations efforts, and is the official media contact for Christian Academy. Approval of spin off groups may be obtained through a written request to the Director of Philanthropy and Communication. Christian Academy School System reserves the right to require discontinuance of any network reflecting Christian Academy if, in the opinion of Christian Academy, the network is not consistent with the philosophy and standards of Christian Academy.

G.2.7 Miscellaneous Expenses/Fees

In addition to tuition there are other fees for various services or activities during the course of the school year. These may include food service, intramural sports, performing arts participation, elective class fees (Advanced Placement classes), school picture packages, yearbooks, class functions, athletic events, music programs, plays, etc. Most of these services or activities are optional. The school makes every effort to keep these expenses to a minimum.

G.2.8 Parent-Teacher Groups

The purpose of parent-teacher organizations is to assist in coordinating volunteers that will serve both the classroom students and the teachers and to assist in raising funds that will directly benefit and enhance the learning experience for students. The mission of these support groups is to promote Christian education and to create a greater fellowship among all parents, teachers, staff, and student body. They are a valuable asset to Christian Academy schools.

G.2.9 Reporting and Investigating Suspected Child Abuse

Christian Academy schools comply with all state laws and regulations in reporting and investigating cases of suspected abuse. Policy details are available to families upon request. Allow three business days for processing.

G.2.10 Responsibility for Debts

All families are expected to meet all financial responsibilities promptly. This includes tuition and bus fees, library fines, overdrawn lunch accounts, and other obligations. Records will not be released until all debts are paid.

G.2.11 Safe School Commitment

Christian Academy School System is committed to establishing and maintaining a safe learning environment for each of its campuses. Therefore, Christian Academy School System reserves the right to routinely inspect and specifically search school buildings and grounds and lockers, as well as anything brought onto school property or school facilities in accordance with the laws of each state.

G.2.12 School Facilities Notices

Integrated Pest Management Program

Christian Academy School System provides a safe and sanitary school environment. One way that is accomplished is through an Integrated Pest Management (IPM) program to prevent pest infestations. Inspections are conducted

monthly. Should any remedial action be necessary, every effort is made to do so when students and staff are not present. Should that be unavoidable, 24-hour notice will be given prior to any IPM applications on school property and all appropriate precautions will be taken according to safety guidelines and standards. When requested, this information is available to all parents and school employees.

G.2.13 Security

Christian Academy School System is fully committed to providing a safe and secure learning and working environment for all stakeholders, including students, employees, and visitors. Each school has fully developed and routinely practiced security protocols which have been reviewed and endorsed by local and state law enforcement agencies. See Section G.2.18 for security measures regarding visitors to campuses.

Access to school buildings will be denied during security drills. On some campuses, traffic will be stopped during drills until students have re-entered the building.

G.2.14 Security Tip Line

Christian Academy School System has a security tip line: (502) 400-8525.

The following is the voicemail message callers will receive: "You have reached the Christian Academy confidential security tip line. If this is an emergency, please hang up and dial 911. This line is not intended for day-to-day discipline issues. For all discipline-related concerns, please contact your child's school. If you have information related to a potential threat to Christian Academy people or property, please leave your name, number and message. Having your name and number helps school officials follow-up in the event more information is needed. All messages are sent to our Director of Security for review. Your information will be held in strict confidence."

G.2.15 Traffic Safety

It is imperative that all drivers travel in a slow and controlled manner while on campus. Please observe speed limit signs, stop at all crosswalks, refrain from all forms of distracted driving, and be vigilant in watching for children. Do not pass school buses with stop signs extended. Do not park in fire lanes. Vehicles parked in fire lanes may be cited by LMPD/NAPD and/or the State Fire Marshal (or his designate). At the English Station campus, please observe the proper traffic pattern for the roundabout. The safety of our students is a great concern.

All students are to be dropped off and picked up only at locations designated for each school level on each campus. Refer to the school-specific section of this handbook for details. Please observe all traffic and parking instructions and zones on campuses, and use marked crosswalks when crossing the flow of traffic. During carpool hours, cars should not be parked or abandoned in the drive lanes for any reason, especially at school entrances.

G.2.16 Tuition Assistance

The goal of the Tuition Assistance Program is to provide financial assistance to help Junior Academy – 12th grade families with tuition payments. The assistance, intended as a supplement to a family's resources, is not restricted to only families whose ability to pay tuition is limited; it is also available to those families who may only need small awards or who have multiple children.

Each award is made for one year only. Families must apply each year because eligibility may change. Awards are based on the availability of tuition assistance funds.

Applications for tuition assistance are accepted beginning in January of the school year preceding the award. For additional information regarding tuition assistance, please see the website, www.caschools.us.

G.2.17 Tuition Policy

Tuition and other fees are necessary in order for Christian Academy to fulfill its mission. Families are asked to meet financial obligations in accordance with the standards of biblical stewardship.

Christian Academy Schools observe the following tuition policy for families with students in Junior Academy through Grade 12:

- The application fee which covers processing is non-refundable.
- The confirmation fee, which is collected to confirm your child's placement, is non-refundable (K-12 only).
- The re-enrollment fee is non-refundable unless for any reason Christian Academy does not re-admit the student. If parents withdraw their student's enrollment for any reason, the fee is non-refundable.
- **Please review the policies regarding withdrawals on the applicable Schedule of Tuition and Fees.** The schedule is posted on the Admissions page of the website at www.caschools.us.
- Student records will not be released and no credit for a student's work can be earned unless all financial obligations are met.
- Tuition that becomes past due will subject a student to being withheld from attending school until such amounts due to Christian Academy are made current (see Schedule of Tuition and Fees).
- All tuition payments are collected by FACTS Tuition Management (FACTS Tuition).

G.2.18 Visitors

Visitors must park and enter through the clearly-designated visitor's entrance of the school. All other doors are locked and no admittance will be allowed. Please do not buzz or knock for entrance at other doors.

All visitors attempting to gain access to the building for the first time must present valid government-issued identification. This includes a driver's license, a state ID card, US Passport, US Military ID or a permanent resident card. Visitors refusing to produce such ID will be asked to leave the campus, as their identity cannot be verified.

Qualified visitors will receive an ID badge that they must wear while on campus. They must also sign out, return the badge, and leave campus through the designated entry door.

In order not to disturb classroom instruction, all parents and visitors must also check in with the school reception before proceeding to a classroom for a scheduled event.

E.1.2 Homework

1. Students at CAI should expect regular homework assignments. Homework is assigned for the following reasons:
 - To increase self-reliance and self-discipline.
 - To reinforce and extend classroom learning.
 - To provide practice in skills and problem solving.
 - To provide opportunities for special projects such as book reports, compositions, and special research projects.
2. Homework could be assigned on Monday, Tuesday and Thursday nights. Projects or book reports could carry over to the weekend and require some extra homework. Teachers **reduce** the amount of homework for Wednesday night because of church services that many students attend. However, assignments made in advance of Wednesday which are due on Thursday may require some preparation on Wednesday night.
3. Homework should not require more than 10-50 minutes per night (depending on the grade level of K-5). Missing work, late assignments and projects could lengthen this time. If your child is continually spending greater amounts of time on homework, please discuss with the teacher.
4. Assignments are to be complete, on time and written properly. Good grammar, neatness, and spelling accuracy will be expected by all teachers. **Students in grades 4 are required to use cursive handwriting at the beginning of the second quarter. Students in grade 5 are required to use cursive handwriting.** Sloppiness, carelessness, and thoughtless content will not be allowed. Such work will be returned to the student for revision.
5. Homework will be graded, corrected and recorded for a grade in Work and Study Habits. Homework should be an individual task, not one of sharing, unless specified by the teacher.

Late Work Policy

1st – 2nd Grades

Class work is expected to be completed in school. The teacher will note if work is unfinished or unacceptable and it will be sent home to be completed. The completed work is to be turned in the next day. All assignments that are essential to the content are expected to be completed. Students that consistently have work that is late will find this reflected in their Work and Study Habits grade.

3rd – 5th Grades

All assignments not completed in class must be taken home as homework, unless otherwise specified. These assignments will be due the following day. Assignments that are not completed and turned in on that day will receive a 10% grade reduction for not being completed on time, as well as points deducted from the Work and Study Habits grade. If the assignment is not completed by the second day, there will be a 20% reduction in the final grade (3rd day, 30% off total points; 4th day, 50% off total points) and the student may be required to complete the assignment(s) at recess or after school. All assignments are expected to be completed. If a student habitually turns in late work, a conference will be called by the classroom teacher.

E.1.3 Plagiarism

Plagiarism is using someone else's words or ideas in your writing without proper acknowledgement or documentation. Plagiarism is cheating. Discipline procedures for cheating include but are not limited to an office referral or zero on the assignment. Students will be expected to complete the assignment in their own words.

How to avoid Plagiarism

- Document all direct quotations. Make sure that you have copied each quotation word for word and that the punctuation is the same as the original.
- Document information you have paraphrased or summarized. This includes ideas and expressions that you adapted from your sources.
- Consider Biblical instruction: "Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth." II Timothy 2:15 (New International Version)

E.1.4 Cheating

Discipline procedures for a student who is found to be cheating will be, but are not limited to: office referral; zero on the assignment for both parties involved; parent conference; half-day In-school Suspension. Repeat offenders can expect increasingly severe consequences.

E.1.5 Retention

Satisfactory progress and developmental readiness determine promotion of students to the next grade. A student may need to repeat a grade in order to master the material, or he/she may not be developmentally ready for the next grade. After a group consultation with the classroom teacher, parents, Elementary Principal and Educational Resource staff, it will be determined whether a student is to be passed or retained. No student shall be retained for the purpose of improving the student's ability to participate in extracurricular athletic programs. The final decision lies with the Elementary Principal.

E.1.6 Benchmark Assessments

Students in kindergarten through grade 5 are given benchmark assessments throughout the year. Students in grades 3 – 5 take ILEARN in the spring of the school year. Students in grade 3 also take the IREAD-3 in the spring. Exact testing dates are established by the principal and the State of Indiana. Parents should make every effort to have their child in school during the testing window and refrain from scheduling vacations during this time.

E.1.7 Academic Support

Consistent with our mission to develop every student with a heart for God, we also focus on individual success of our students in the classroom. Academic success is defined differently for every student, so we seek to provide a learning environment that enables our students to achieve their educational goals. Each campus promotes the success of all students by providing services for students who need additional support with academics in the classroom.

Educational Resource teachers follow a Response to Intervention 3 Tier Process for the identification, implementation and monitoring of interventions in order to help each student achieve success. CASS provides Tier 1 and 2 support of classroom observations and strategies, support and training to teachers, small group remediation, and tracking of data to make informed decisions at no additional cost to families.

For students that need additional support, there are Tier 3 intensive interventions and specialized programs that are available for an additional cost. A plan of accommodations/modifications may be developed for students who have current educational testing and who participate in specialized programming. CASS supports research-based programs tailored to meet individual student needs. Options include CASS specialized programs as well as outside resources. Students participating in specialized CASS programming may also require outside resources such as tutoring, therapy, counseling, etc.

E.1.8 Response to Intervention

There are a series of steps that are taken when a concern arises within the classroom. Educational Resource teachers provide support in 3 Tiers as outlined below.

- TIER 1: Work with staff to universally screen all students for early identification, conduct general education progress monitoring, provide classroom observations on students of concern and support/train teachers on effective classroom strategies (There is no additional cost involved with this service).
- TIER 2: Monitor at-risk students to evaluate the effectiveness of instructional changes, provide small group intervention, collaborate with classroom teachers, collect and track educational data, and consistently communicate with parents (There is no additional cost involved with this service).
- TIER 3: Write individualized annual goals, conduct progress monitoring, and document the effectiveness of interventions for those who need intensive instructional services. Most students who receive Tier 3 services have been through the Psycho-Educational Testing process. Services are provided in small group or 1:1 depending on the student's need. (An additional cost is involved with this service).

E.1.9 Tier 3 Services

- **Search and Teach**
Search identifies students who may need help developing the perceptual skills needed to succeed in the classroom. Search is a tool used to identify perceptual weaknesses and guide the interventionist toward the most appropriate strategies to address the weakness. TEACH is a collection of techniques designed to complement the Search results. Students enrolled in this program work one-to-one with an interventionist, using the techniques prescribed. There is an additional fee for the TEACH portion of this program.
- **Small group/1:1 Intervention**
Students receiving academic support who are making minimal progress may be offered a small group or 1:1 intervention specific to an identified need. The need for Tier 3 small group or 1:1 intervention is based on specific needs identified through previous interventions and/or screenings. The purpose of this intervention is to provide additional support and information in order to determine next steps. There is an additional fee for this program.
- **Occupational Therapy**
School-based occupational therapy (OT) focuses on removing barriers from students' ability to learn in the classroom and helps students develop skills to increase independence. OT therapy sessions address the

underlying impairments and functional limitations that are negatively impacting the student's ability to complete classroom tasks in a safe and independent manner. OT evaluates and develops a treatment plan and goals tailored to the student's specific needs. OT can help students with various needs improve their cognitive, physical, sensory, visual or perceptual, attention/focus, organization, and motor skills and enhance their self-esteem and sense of accomplishment. There is an additional fee for this program.

E.2.0 ATTENDANCE POLICIES

Whatever you do, work at it with all your heart, as working for the Lord, not for men since you know that you will receive an inheritance from the Lord as a reward.

Colossians 3:23-24 NIV

E.2.1 Attendance Policy

All CAI students are expected to attend school regularly. Regular and punctual attendance is essential for success as a student. Absences interrupt the smooth and complete process of learning. We urge students to be present every day.

Proper education relies on continuity of instruction, classroom participation, learning experiences, student-teacher interaction, and structured study. The principal will monitor attendance records for students accumulating excessive absences.

If a student is absent for the day, he/she may not participate in after school activities.

Parent Responsibilities

1. Encourage prompt and regular attendance. Schedule doctor appointments and family vacations so that attendance at school is affected as little as possible.
2. When your student is absent, contact the school office before 9:00 a.m. to notify the school, give the reason for the absence, and the anticipated length of the absence. If parents do not contact the school office, the school nurse will place a call seeking information.
3. Request a list of homework assignments from teachers on days when it is necessary for your student to be absent from school by calling the office before 9:00 a.m. Students who have been ill or absent for a family death will have the number of days absent plus one to hand in make-up work. Regularly scheduled tests such as spelling, vocabulary, or a test that had been announced prior to the absence will be given on the day of return to school or at the discretion of the teacher.

Extended Illness

When a student is absent due to illness or hospitalization for more than five days, the following guidelines should be followed:

1. The parents should contact the school as soon as they become aware that the student will be absent for several days. The following information will be requested:
 - doctor's statement of reason for absence
 - location of the student (home, hospital, etc.)
 - approximate length of absence
 - schoolwork and materials needed
2. Make-up work should be picked up and dropped off in the office each day if possible.
3. If the student is to be absent more than ten school days, the school will have the option to release the student to a homebound instructor. It is the responsibility of the parents to engage a qualified teacher to work with the school and student during the extended illness so that the student may receive credit for work completed.
4. Parents should notify the principal two days prior to the student's return to class so that the school can make efforts to ease the return.
5. Upon return to school, the following information is required:

- a signed release from the doctor;
- an up-to-date evaluation of the student’s academic progress from the homebound teacher;
- a list of medications the student will be taking at school;
- a written description of permissible and non-permissible behaviors.

Prescheduled Family Vacations

If it is necessary for a family to keep a student from attending school for a family trip or vacation, the following procedure is to be followed:

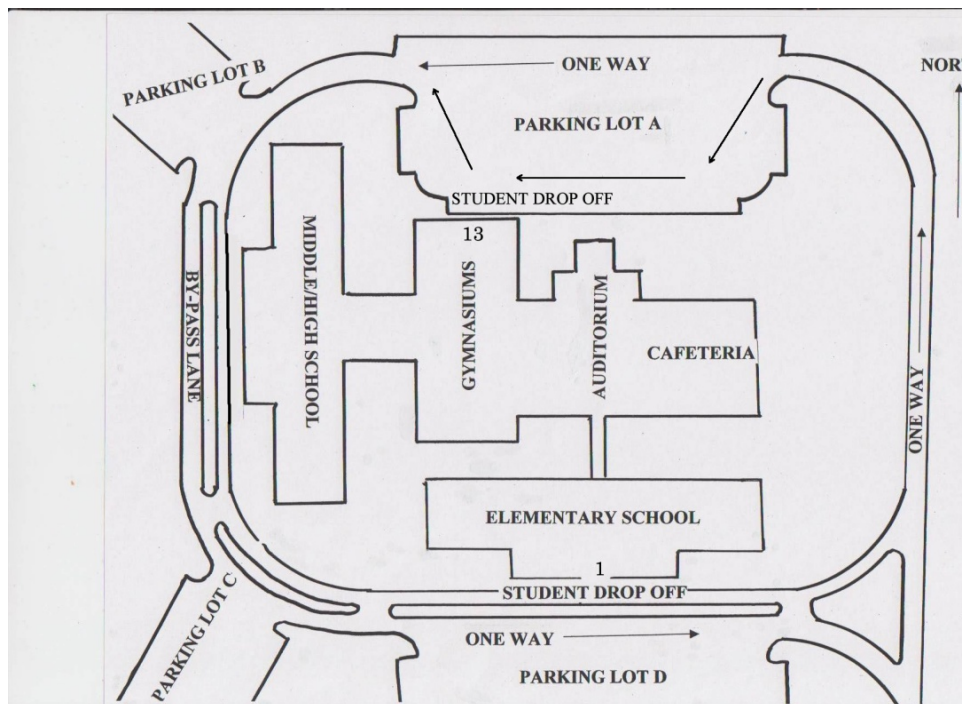

- Notify the teacher and building administrator in writing at least **two weeks** in advance of the dates the student will miss. Work will be given to the student on the **last day** of their attendance before leaving on the trip.
- The administrator will contact the teacher and identify the impact of the student missing those specific dates. Please avoid scheduling vacations at the end of a grading period and during state testing and benchmark assessments.
- All missed work should be turned in upon the day of return. Students **will** be prepared to make up tests at the teacher’s discretion.

Perfect Attendance – A certificate of perfect attendance is awarded to any student who attends school all day every day of the school year. Five or more tardies will disqualify a student for a perfect attendance award as will leaving school early for the day.

E.2.2 Drop-off / Pick-up

Parents are responsible to ensure the prompt arrival of students per their own method of transportation. School begins at 8:00 a.m. and is dismissed at 2:40 p.m. for all elementary grades. Part day kindergarten dismisses at 12:00 Noon.

Please follow the drop-off and pick-up procedures communicated by the school.

Walkers: Elementary students that walk to and/or from school must submit a parent letter of permission to the elementary office prior to the first day of school stating that the parent is aware of and gives permission for the student to walk to/from school. Students walking to school are to cross all roads at designated areas.

E.2.3 Illness During the Day

Students who become too ill to remain in class must report to their teacher. The nurse will be notified and she will decide if the student needs to leave school. Any student leaving school because of illness must be signed out by the person assuming responsibility.

Medications required during the school day may be administered by the nurse. To administer prescription medication, a Medication Administration Release Form (available on the school website or the elementary front desk) must be completed, signed by a parent, and brought in with the medicine. All prescription medications must be in the original container with the physician's name, prescription and dosage instructions label intact. Parents are responsible for providing all information needed for proper administration of medications. Christian Academy will not administer medications past their expiration date. Medication improperly labeled will not be administered. In addition, a new form must be completed if there are any changes to the original instructions. All medicine will be kept in the school nurse's office.

If a student has a fever of 100.4° or higher, he/she will be sent home. Children who have been ill may not return to school until their temperature has been below 100.4 degrees for 24 hours (without the use of fever-reducing medication) and/or until 24 hours has passed since the last episode of vomiting and/or diarrhea. Parents should check with their physician regarding a child's return to school after communicable diseases, etc.

Students who have an illness prior to the end of the school day will not be allowed to ride a school bus home.

Students with head lice must go home immediately for treatment. The student may not return to class until checked by the nurse and found to be lice and nit free.

Updated immunization records must be on file in the nurse's office in order for the student to continue enrollment at CAI. Each student is required to provide medical information in FACTS Family Portal for the nurse. If information regarding the health of the child changes, the nurse should be notified.

E.2.4 Late Arrival to School

It is important for students to always be on time to school and class. Being prompt demonstrates self-discipline, responsibility, and maturity. These qualities are not only important for proper academic achievement, but they are essential for the development of good habits, which are characteristic of success and good citizenship in every walk of life.

Lateness is usually considered a form of rudeness and lack of adequate planning. Whenever a student enters a class late, the learning process is either interrupted or delayed for all students in the class. Since school years are the habit-forming years of life, it is crucial for attention to be given to the importance of promptness. By being prompt, students demonstrate and practice desirable behaviors of adult life.

A good rule of thumb is to plan to be at school 15 minutes prior to start time. This plan provides a cushion for possible delays encountered en route. Students who are not in their classrooms by 8:00 a.m. (Grades K-5) will be considered late.

Late students should never go directly to the classroom; they should stop at the front desk and be signed in by the parent. Students will be given an admission slip to present to the teacher. **NO STUDENT WILL BE ADMITTED TO CLASS WITHOUT AN ADMISSION SLIP.** Persistent late arrivals to school will result in a principal communication

with the parents. After 10 or more tardies per quarter, a student's Work and Study Habits grade will be lowered one level.

E.2.5 Early Dismissal

Parents of students who must leave school early must present a note/email to the classroom teacher and the office. The note is to include the student's full name, date, time of departure, estimated time of return (if returning that day), reason for leaving early, and the parent's signature. The student will be sent to the office for the parent to sign out. Students should never be picked up at the classroom.

Early dismissals interfere with the continuity of learning and disrupt the class. Please keep early dismissals to a minimum.

E.2.6 Before- and After-School Care Program

Before-School Care and After-School Care are offered for Grades K-5 for an additional cost. Before-School Care is provided from 7:00 a.m. to 7:40 a.m. After-School Care is provided from 2:40 p.m. to 6:00 p.m. All students must have a completed registration form through FACTS Family Portal, even if use of this service is not expected. There is no fee for registering your child for the program.

Students entering the building prior to 7:40 a.m. must report to Before-Care and the appropriate charges will be billed. Students not picked up by 3:00 p.m. will be sent to After-Care and the appropriate charges will be billed. Late fees will be applied for students picked up after 6:00 p.m.

E.3.0 BIBLE

My purpose is that they may be encouraged in heart and united in love, so that they may have the full riches of complete understanding, in order that they may know the mystery of God, namely, Christ, in whom are hidden all the treasures of wisdom and knowledge.

Colossians 2:2-3 NIV

E.3.1 Bible Class

We believe that the Bible is God's direct revelation to man and contains the divine answers to man's problems and needs. We teach the Bible both as a textbook and as a guide to enable students to develop a personal relationship with God. We encourage students to critically evaluate all of life's situations by the standards set forth in the Bible so they can make proper decisions based upon biblical mandates and its examples. Therefore, the Bible is the center of our curriculum and the foundation for Christian education at CAI. A Bible lesson is taught each day in accordance with our curriculum. Scripture is committed to memory each week. Biblical integration is utilized in all areas of instruction.

E.3.2 Chapel Program

All students attend a weekly chapel service. Chapel is a time of worship through music and Christian speakers. Students participate in each program through drama, music, or sharing of their testimony. Parents are welcome to attend chapel service. Chapel is held on Wednesday mornings.

E.4.0 CONDUCT

Train a child in the way he should go, and when he is old he will not turn from it.
Proverbs 22:6 NIV

E.4.1 Behavior Guidelines

Discipline at CAI is a process by which students are guided to develop Christ-like characteristics. Each teacher maintains classroom behavior in accordance with Christian principles as set forth in scripture.

After exhausting all efforts within the classroom, a teacher may find it necessary to send a student to the building administrator for one or more of the following actions:

- Discussion of the problem
- Development of a contract
- In-school suspension
- Conference with teacher, parents and principal
- Out-of-school suspension

The teacher and administrator will decide what corrective measure should be taken. This action will involve parent contact.

Parents and teachers need to cooperate with one another. Anything said or done which destroys mutual respect and confidence will harm the student. When parents have questions, they should contact their student's teacher immediately. Parents are encouraged to contact teachers with any questions or concerns following the Matthew 18 Principle (see Section E.5.14). Often, a conference or note can eliminate problems. Should the problem continue, the building administrator should be consulted.

The administration, after consulting with all parties involved, has the right to evaluate any unacceptable behavior, to determine and administer the appropriate disciplinary action. Persistent unacceptable behavior could result in the student being placed on disciplinary probation with the ultimate possibility of expulsion from school.

E.4.2 Classroom Standards

Students are expected to be on time and properly prepared for each day. Each teacher will establish the rules for classroom behavior that shall prevail in his/her classroom. Students shall heed these expectations, both academically and in their conduct. Teachers will communicate to students how grades will be determined.

General Guidelines

- Chewing gum is not allowed in the elementary building at any time.
- Rolling backpacks are not allowed.

E.4.3 Failure to Respect the Diverse Christian Academy Community

All forms of racism, bigotry, and prejudice are major violations of the discipline code at Christian Academy schools. (See section G.1.8 Diversity Commitment)

Use of racial slurs or demeaning statements (verbal or non-verbal) will result in serious school discipline which may include one or more of the consequences listed below, which are listed in no particular order.

- Required sessions with the school counselor to educate and coach.
- Verbal warning with discussion and parent notification.
- Denial of activity (eating lunch in cafeteria, recess, field trip, etc.), along with parent notification.

- Detention and required sessions with school counselor or documented help from an outside source.
- Suspension from school: 1-3 days of In-School or Out-of-School Suspension.
- Dismissal from school.

E.4.4 Discipline Policies

The Board and Administration of CAI believe that the full potential of academic excellence can be accomplished only where faculty leadership is strong, discipline is firm but fair, and moral/spiritual values are emphasized within a loving, caring Christian atmosphere.

It is our belief that students learn self-discipline through four aspects which reflect God's principles of human behavior.

1. ORDER is the organization which provides a good environment for learning.
2. TRAINING is the process of practicing what is right.
3. CORRECTION is the discouragement of wrong behavior.
4. PRAISE or AFFIRMATION is used to encourage students to continue in obedience.

E.4.5 Positive Student Relationships / No Bullying Allowed

He (Jesus) answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, "Love your neighbor as yourself." Luke 10:27

In accordance with the mission of Christian Academy, efforts are made to help students develop positive, respectful relationships with others. Appropriate interaction is taught and reinforced so students may learn how to relate to their peers in a constructive manner. Students who fail to be kind and respectful of others will be corrected, and will be encouraged to make amends to benefit their own spiritual and relational growth.

Christian Academy will not tolerate verbal, physical or social bullying behaviors in our schools or on social media. Any instances of bullying will be addressed immediately and with appropriate consequences.

- Bullying: **Intentional and repetitive** verbal or physical mistreatment in which there is an imbalance of power, often characterized by a desire to demonstrate power over another.
 - Direct Bullying: Overt physical or verbal aggression and/or intimidation such as name calling, punching, threatening physical violence, slapping, kicking, etc.
 - Indirect Bullying: Characterized by the goal of social isolation through gossip, criticism, manipulation, and exclusion, as well as intimidation of those who wish to socialize with the victim.

The consequences for bullying behavior may include:

- Verbal warning with discussion and parent notification.
- Denial of activity (eating lunch in cafeteria, recess, field trip, etc.), along with parent notification.
- Detention and required sessions with school counselor or documented help from an outside source.
- Suspension: 1-3 days of In School or Out of School Suspension.
- Dismissal from school.

E.4.6 Seclusion and Restraint Plan

Christian Academy provides a safe and healthy environment in which all children are treated with dignity and respect. Seclusion or restraint will not be used as routine school safety measures, and will be implemented only in situations where a child's behavior or action poses imminent danger of physical harm to self or others. Any use of either seclusion or restraint will be supervised, short in duration and used only for the purposes of de-escalating the behavior.

E.4.7 Sexting

In keeping with CAI's responsibility to provide a safe learning environment for all students, the following policy has been established regarding the issue of "sexting". Sexting is the act of sending, receiving, or forwarding sexually explicit or suggestive messages, photos, or images via cell phone, computer, or other digital device. Students engaged in such activities on or off campus are subject to state laws and school discipline.

Sending, sharing, possessing, or even viewing pictures, text messages, or e-mails that contain a sexual message or image is a violation of this policy. Such a violation will result in school discipline, up to and including expulsion, and the notification of local law enforcement. Students are required to immediately report any incident of sexting to a teacher or school administrator.

E.4.8 Social Media

Social media reaches far beyond the school community; therefore, students must use social sites responsibly and be accountable for their actions. Students must understand that anything posted online is a reflection on not only themselves, but also Christian Academy, and ultimately Christ. The increased use of digital platforms has opened up positive opportunities for connection and collaboration, and it is important to help students see that digital citizenship is not anonymous. Our actions and behaviors are visible to God and others. Below are specific guidelines regarding student use of social media:

- In the online environment, students must follow Christian Academy behavior guidelines and conduct themselves online as in school.
- Use of Christian Academy logos or images on your personal social networking sites is prohibited.
- Christian Academy reserves the right to request school-related images or content posted without permission to be removed from the Internet.
- Cyberbullying is considered an act of harassment. Please reference E.4.5 Positive Student Relationships/No Bullying Allowed for more information.
- If a student sees anything of concern on a fellow Christian Academy student's social networking page or account, they should immediately contact a school counselor or principal.
- Similar to comments made in person, Christian Academy will not tolerate disrespectful comments and behavior online, such as:
 - Derogatory language (including any type of racial slur) or remarks that may harm students, faculty, or staff of Christian Academy.
 - Derogatory language (including any type of racial slur) or remarks that may harm representatives of other schools, including comments that may disrespect opponents in athletic competitions.
 - Incriminating photos or statements depicting violence; hazing; sexual harassment; racism; full or partial nudity; inappropriate gestures; vandalism, stalking; underage drinking, selling, possessing, or using controlled substances; or any other inappropriate behaviors.
 - Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.
 - Indicating knowledge of an unreported school violation—regardless if the violation was unintentional or intentional.

Any violation of the social media guidelines may result in disciplinary action including possible suspension and/or expulsion.

E.4.9 Bus Conduct

Of chief concern on the school bus is the safety of each rider. If the driver is being distracted by a discipline problem, the safety of all students may be jeopardized. For this reason, we strongly support the rules presented by our bus service contractor. These rules are listed below.

BUS RULES

1. Bus ID tags should be **visibly** attached to a purse or backpack.
2. Cooperate with and respect the driver.
3. Observe the same conduct rules as in the classroom.
4. Do not eat or drink on the bus.
5. Do not use cell phones or other electronic devices on the bus.
6. No animals are permitted on the bus.
7. Keep the bus clean.
8. Stay in your seat.
9. Keep head, hands and feet inside the bus.

E.4.10 Dress Code Guidelines

All uniform dress items for elementary students may be purchased from local suppliers. The only items that require purchase at Shaheen's (see provider information in the grey box below) are the plaid items, the approved dresses, and the gold polo shirt. Lands' End also carries an approved dress. One gold polo shirt with the CAI monogram will be purchased from Shaheen's to wear on field trips.

Administration and teachers reserve the right to interpret when dress is in violation of code and address the student if correction is needed. Parents and students will be expected to be respectful of any correction and respond appropriately. E.5.0 ADDITIONAL INFORMATION FOR ELEMENTARY STUDENTS

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10 NIV

E.5.1 Conferences

Conference time is built into our school calendar. This is an opportunity for our teachers to meet with all parents in a consistent effort to keep them informed of their student's progress. Conferences between parents and teachers are expected. If at any time during the school year parents have a question or concern, parents may email the teacher to schedule a conference.

E.5.2 Electronic Devices: Cell Phones, Readers, iPads, Smart Watches, etc.

Electronic games, readers, music devices, or smart watches are not permitted unless provided by the school. If an elementary student has a phone at school, it is to remain turned off and in the student's backpack. If electronic devices are taken from elementary students, parents will be required to pick them up from the office at the end of the day. Additional violations of this policy may result in the item being kept for an extended period of time.

E.5.3 Emergency Procedures

Emergency Alert System: Closures due to weather or other emergency situations will be broadcast through the Christian Academy Emergency Alert System. Parents are asked to keep their email address and cell/home phone numbers current in FACTS Family Portal to receive emergency alert information. *(Also see G.2.4 Inclement Weather)*

Personal: Every student is to have emergency information on file in FACTS Family Portal, making it possible for the school to contact someone in the family or other designated adult at all times. Parents are responsible for making updates in FACTS Family Portal throughout the year if there are any changes.

Fire/Tornado/Disaster/Intruder Drills: Classroom teachers will be sure all students know and understand the procedures for all drills. Procedures are posted in each classroom and drills are conducted on a regular schedule.

Evacuation: An emergency evacuation plan is in place for each Christian Academy school and campus.

E.5.4 Field Trips

Field trips are an extension of the classroom learning environment and are often a time of culmination for a unit of study.

Please note these guidelines pertaining to field trips:

- All students are required to ride the bus to and from the destination. Parents who wish to have their student leave with them after the trip should notify the teacher in writing prior to the field trip. Chaperones may ride the bus if there is room.
- Classroom behavior is expected of all students.
- Students will wear their monogrammed gold shirt and uniform pants, shorts, or skirts on field trips unless advised otherwise by the supervising teacher, coach, or administrator.
- Written parental permission must be received for each trip in order for students to participate. No student is allowed on an off-campus trip without specific written parental permission on the form distributed by the school.
- All field trip participants are expected to listen quietly to tour guides and instructions.
- An adult must supervise all restroom usage.

Chaperones:

- Teachers are at liberty to decide the number of chaperones that will be needed on each trip. Parents should not presume they may just show up to go on a field trip.
- Chaperones are needed to provide a valuable service by supervising a group of students under the direction of the teacher.
- Younger siblings may not attend field trips.
- Parents are expected to adhere to school dress code policies on school trips.
- Different chaperones will be designated for different field trips so that every parent who wishes can have that privilege.
- Parents may not make purchases for their child or others.

E.5.5 Flyer Distribution

Flyers may not be distributed unless it is a school-sponsored event.

E.5.6 Health Screening

Students in various grades will be tested for hearing and vision as required by Indiana state law.

E.5.7 Library/Media Center

The CAI elementary library is a vibrant place where each class has a library time scheduled once a week to check out books, have story time, learn library skills, or work on special projects. The library meets the needs of students for book reports and research projects, as well as for recreational reading. The elementary library is open in the afternoons until 3:30 p.m. For students to be in the library after school, they must be accompanied by parents/grandparents/guardians or have a pass from After Care. Parents and grandparents are welcome to check out books from our libraries.

The elementary library has internet-connected computers available to students as well as a reference area, magazines and an automated circulation system. The CAI Libraries use the web-based Destiny Library Management system for cataloging books, circulation needs and reports. All library patrons have access to this user friendly system as it allows them to look up and locate books in our library. It may be accessed from any internet-connected device and contains many useful educational links from the Destiny homepage <https://ca.follettdestiny.com>. A link to the Destiny program is also found on the Christian Academy website.

Several special library events are held each year including a Summer Reading Celebration and Scholastic Book Fair. Parent and grandparent volunteers are appreciated as they serve in the elementary library for daily classes and for special projects and needs.

E.5.8 Lunch Program

Lunches for elementary students are available. Weekly menus are served on a 3 week rotating basis. Your child may bring his or her lunch if you choose. Milk or water may be purchased in the lunchroom. Parents or other relatives may drop off meals for individual students to eat at lunch or they may join the student eating in the cafeteria.

My Payments Plus: All students will have an online account and will swipe their ID badges as they go through the café line. This is a free service to help parents track their student's purchases and to keep track of how much money is in their student's account. Parents are required to sign up for this service by going to www.mypaymentsplus.com. You will need your child's Student ID number to set up an account. Deposits may be made by bringing cash or a check to school or by going online. There is a small fee for depositing online, but no cost if money is sent in to the school. Parents will receive email notification of low funds and a purchase history through their MyPaymentsPlus account. A fee will be charged for excessive negative balances. *This is the only*

way to keep track of your student's cafeteria account. If parents have questions about MyPaymentsPlus, they can contact the Food Services office, 502-753-4569.

Food Allergies: Students who have food allergies will need to bring their lunches from home. Please notify staff if a separate seating area needs to be found for your child.

Behavior in Cafeteria: Proper eating habits and acceptable behavior must be practiced in the cafeteria. Students are expected to clean up after themselves.

E.5.9 Messages For Students

Messages for students will not be delivered to a student unless it is an extreme emergency. In the case of an emergency, parents should call the school office giving the student's name, grade, and a concise message. The student will be given the message at the earliest convenient time. Except in cases of extreme emergency, classes will not be interrupted to deliver a message, or to have a student return a phone call to the parent. Students may not make or receive cell phone calls during the school day.

E.5.10 Parent Involvement

We invite and encourage our parents to be actively involved in the life of the school. Opportunity is provided at the beginning of each school year to sign up to serve as volunteers. It is our goal to have many parents participate in the various activities presented. Our PTO coordinates many of these activities whether they are regularly scheduled or are one-time events. Students love to have their parents participate and the school is always grateful for the helping hands and hearts that enable us to provide for the students.

Parent Dress at School Events and Activities – Since all adults are to be models of modesty before our students, we ask that parents please be vigilant of their dress. In light of the current styles, we ask that traditional norms of modesty be demonstrated in all attire, such as skirt length, necklines and style.

E.5.11 Parties and Party Invitations

Room Parents – Teachers rely on the help of their room parents to assist in many ways. Please note these guidelines:

- The teacher is always in charge. (Room parents meet with the teacher to determine the expectations.)
- Teachers manage field trips and chaperones.
- Each class is allowed three in-school parties each year: Christmas, Valentines, and Resurrection. Room Parents and classroom teachers cooperate in planning parties. It is the policy of the school to avoid any decorations, snacks, customs or events related to Halloween. A Christian theme should be evident as part of every celebration.
- Celebrations should be kept simple. Individually wrapped treats could consist of the following: cookies, fruit, etc., box or pouch drinks (no open cups, please), and a simple craft or game. No cakes or cupcakes.
- Room Parents need to strive for 100% parent participation for their class. Working parents appreciate being included and although they may not always be able to be present, they can often send a donation.
- All correspondence about parties must be approved by the assistant principal.

Out-of-School Parties: Party invitations may be distributed at school if there is an invitation for all of the girls, all of the boys, or each member of the entire class. Parents are also asked to consider the impact of picking up some children and not others for a party after school. Children can be terribly hurt when it is so obvious a party is occurring and they have not been invited.

Birthdays: In-school celebrations will be held at lunch time or snack time (grades K-1). The birthday person is encouraged to bring individually wrapped treats to share with classmates. **Please do not send cakes or cupcakes.** Please contact your child's teacher ahead of time to find out about any student food allergies or needs.

E.5.12 Pets on Campus

Due to safety concerns, please refrain from bringing pets to campus.

E.5.13 Pledges

The school day begins with the recitation of the pledges below and the Lord's Prayer.

AMERICAN FLAG

I pledge allegiance to the flag
of the United States of America
and to the Republic for which it stands,
one nation under God, indivisible,
with liberty and justice for all.

CHRISTIAN FLAG

I pledge allegiance to the Christian flag
and to the Savior
for whose kingdom it stands,
one brotherhood uniting all Christians
in service and in love.

BIBLE

I pledge allegiance to the Bible,
God's Holy Word,
a lamp unto my feet, a light unto my path.
Its words will I hide in my heart
that I might not sin against God.

E.5.14 Problem Resolution

Christian Academy encourages families to join in a partnership with teachers and school staff focused on the development of their child. Open and frequent communication between teachers and parents benefits the students. Parents are asked to communicate directly with their child's teacher about any questions or concerns regarding their child's performance, school programs, class activities, etc. The Christian Academy staff is committed to assist parents in answering their questions or resolving their concerns.

If parents have difficulty in reaching resolution of an issue with their child's teacher/person of concern or if they reach an impasse over an issue, it is recommended that they use the following guidelines to seek further resolve. These guidelines are based on biblical principles for conflict resolution found in **MATTHEW 18:15-17**. It is the hope of Christian Academy that everyone work well together, communicate honestly with each other and maintain a mutual respect that will allow everyone to be examples of integrity.

If parents are concerned about a specific issue and they believe it needs to be resolved, they may use the following guidelines.

1. Notify the teacher and/or person of concern and meet to try to resolve the issue.
2. If after repeated meetings between these parties, the issue is not resolved, the parents may request a meeting with both the teacher and principal to discuss the issue. At this level the parents' concerns should be documented, with a clear explanation of the problem and the recommended resolution and submitted in advance to the principal.
3. If after this meeting the issue is still not resolved, the parents may request a joint meeting with the teacher, principal and/or Superintendent.

4. If the parents can show that the school staff has violated a biblical principle or established policy, or failed to follow established procedures in managing this matter, they may appeal to the Board of Directors in writing.

The intent of this policy is to enhance relationships between parents and staff for the benefit of students. Please note, however, that any potential or suspected harm to a student or illegal activity will be reported to authorities (See Section G.2.9).

E.5.15 Special Area Classes

Students enjoy special classes several times a week including music, physical education, technology, library, and art.

E.5.16 Sports

CAI offers an elementary sports program, through our athletics department, for girls and boys in kindergarten through 4th grade. We currently offer basketball and cheer in the winter and soccer and volleyball in the spring. This is an optional program that requires an additional fee. Also, there is an optional Running Club for 4th and 5th graders. This club is offered on Wednesday afternoons from mid-November through March. There is a minimal fee for this club.

E.5.17 Technology Services

Christian Academy provides technology resources (such as computers, Chromebooks, tablets, printers, and Internet access) to staff and students to advance the spiritual and educational mission of the schools. Before allowing access to technology resources, Christian Academy requires parents and students (as age-appropriate) to read the Technology Responsible Use Policy Agreement (see Appendix A) and sign the School Policy Commitment.

E.5.18 Textbooks

The school provides the required textbooks for students in Grades K-5. Students using school-owned books are responsible for returning the same books in the same condition in which they were issued. The parents must pay for lost or damaged books.

E.5.19 WATCH D.O.G.S.

Christian Academy Schools participate in the national WATCH D.O.G.S. (Dads of Great Students) program. The two primary goals of this program are 1) To provide positive male role models for the students, demonstrating by their presence that education is important; and 2) To provide extra sets of eyes and ears to enhance school safety and security.

For more information about the national program, please see information on the program [website](#).

For more information about Christian Academy's WATCH D.O.G.S. program or to participate, please contact the school office.

APPENDIX A: TECHNOLOGY RESPONSIBLE USE POLICY (RUP) – GRADES PREK-8

Technology Responsible Use Policy (RUP) – Grades PreK-8

This policy outlines behaviors that Christian Academy School System (CASS) expects students to follow when using school-owned or personally-owned technologies on any school campus.

CASS considers all technology use an extension of the classroom. In short, any activities that would not be appropriate in the classroom should not be conducted when using technology resources.

Note: Some of the concepts in this policy might not be developmentally appropriate for younger children. Accordingly, we require that:

- Parents of students in all grades (PreK-8) must read.
- Students in grades 3+ must read.
- Students in grades PreK-2 need not read.

For younger children (especially grades PreK-2), please explain the concepts more generally, emphasizing themes of online safety and citizenship. For additional resources, see:

<http://www.netismartz.org/Resources/Pledges>

- God has blessed us with a tremendous amount of technology resources. We must continue to be good stewards of these resources. Students are responsible for good behavior on computers and mobile devices, just as they are in the classroom. Access is a privilege – not a right.
- Access to the Internet will enable students to use countless websites, which can change frequently and without notice. Although our Internet access is filtered by an enterprise-class web filter, no filter is 100% effective in blocking all objectionable content. Parents should be aware that material accessible via the Internet may contain content that is potentially offensive to some people.
- Files and messages stored on CASS-owned/managed systems are not private. Authorized individuals within CASS may review files and messages to ensure student safety and systems reliability.

Unacceptable Use

Unacceptable use includes, but is not limited to, any of the following examples:

1. to access or transmit indecent, profane, obscene, or otherwise inappropriate material;
2. to transmit abusive or threatening language (includes cyberbullying);
3. to attempt to download or install software on any school computer without permission;
4. to connect a personal electronic device to any school network without permission;
5. to use non-educational games/apps during school hours (includes field trips);
6. to attempt to circumvent any web filters, firewalls, or system policies;
7. to attempt to access another person's files or accounts (hacking) without permission;
8. to violate copyright or use another's intellectual property without permission;
9. to share passwords (email, Canvas, Google Drive) with other students (even best friends);
10. to vandalize, damage, or disable the property of an individual or organization; and
11. to violate any local ordinance or state/federal statute.

Disciplinary Action

- Any student found in violation of the Technology Responsible Use Policy may be subject to disciplinary action under the school Discipline Policy.
