The skies display His craftsmanship.
Day after day, they continue to speak;
Night after night they make Him known.” Psalm 19:1-2*

Artistic expression provides unique and creative ways to share God-given gifts and talents to impact others. Through Christian Academy’s growing arts programs, students have numerous opportunities to develop their gifts.

Scholastic Art and Writing is the largest and longest running art competition in the world with more than 330,000 students competing annually. We are honored for our students to have work selected at this level.

Visual Art students at the Indiana campus of the Christian Academy School System were awarded the first Scholastic Awards from this campus in 2018. We are happy to celebrate that this year, 2021, we have received 8 Scholastic awards including: 1 Gold Key, 1 Silver Key, and 6 Honorable Mentions.

While man-given awards are celebrated, it is the heart of the work that edifies the lives of others. Students are challenged to convey truth in their art and realize that all art is a form of worship. In previous years, our students have illustrated a book for use at the Providence school and designed a booklet used on a mission trip in Honduras.

At Christian Academy of Indiana we are in the building phase of our Visual Arts program under the guidance of Shaelyne Meadows, our art teacher. We offer 6 different art classes ranging from drawing, painting, ceramics, sculpture and photography, including an advanced course focused on development of portfolio and an end of the year art show. All classes are taught with a biblical worldview, giving glory to the Creator over the creation, as our vision is to develop students with a heart for God, who grow as Jesus did in wisdom, stature and in favor with God and men.
