Cover Art Contest:

We are looking for CAL elementary students to design a custom cover for our yearbook!

Theme: Better Together

Hebrews 11:40 "Since God had planned something **better** for us so that only **together** with us would they be made perfect. "

Instructions:

- Use markers or colored pencils (make sure colors are bold). You may outline with a sharpie if you would like.
- Submit on standard white 8.5x11 paper (make sure to not wrinkle it)
- Using a *pencil*, clearly write *your name and teacher* on the back in a corner of the page.
- Consider the theme "Better Together". Think: friendships, puzzles, holding hands, just be creative!
- Turn into the elementary office.

A winner will be chosen for the front cover and they will receive a free yearbook!

DEADLINE is September 17th
