2021-2022**

# Kimberly Adams

My name is Kimberly Adams. My husband Dave and I have two kids. Ryland is 11 and entering 6th grade and Hadley, 9, will be in 4th. We love spending time together traveling, cooking (I mostly eat), and boating. When I have a moment (or two) to spend by myself I love to complete it to do list, be creative, sew and read. I also get excited to exercise and spend time with my friends each day! This is my first year on PTO. I'm super excited to get to serve my God, teachers, students, and staff at CAL. I am also looking forward to meeting all of you! I may not know what I'm doing yet, but I am always eager to help!

# Penny Beighey

I work for Sunrise Children's Services as the Food Service Director for Residential and PRTF services across KY.

Husband's name is Rob. He is a Culinary Instructor at Sullivan University.

We have been at CAL since 2015 when our daughter Sadie started kindergarten. She will begin Middle School this year. She is 11. She plays Field Hockey for CAL MS.

I have volunteered with PTO since 2016. Uniform Resale torch was passed to me after the 2019 sale. Have always enjoyed helping PTO in some capacity.

Interesting fun fact: Invited to Goodwill Games in Russia 1994 for Powerlifting. Competed in World Cup Benchpress in Puerto Rico 1995 resulting in a WR.

# Jessica Bertz

Hi! My name is Jessica Bertz and this is my first year serving on the PTO. I've helped out with committees in the past but I'm excited to be more involved this year and so grateful for the opportunity! My family moved here from Alaska back in 2018 and we've been at CAL ever since. Our school has been a huge blessing to our family and I'm so happy to be able to give back to the school and our teachers in this capacity! This year we have William (7) in 1st grade, Selah (8) in 3rd grade, and Jacob (12) in 6th grade.

# Lisa Crain

This is my first year working with the PTO. I have been working with parent ambassadors for a few years now for CAL.

I have 3 children, Gabe just graduated CAL as a lifer, Aiden is going into 11th grade, and Alyssa is going into 6th grade.

I wanted to work with the PTO because we love this school and all that has done for my family!! We are so grateful for CAL.

My regular job is working at GO Ministries, I coordinate with our teams that go down to the Dominican Republic each year. We host around 80 teams a year!

Looking forward to a great school year!

# Julia Davis

From left to right: Aaron, 10, 5th grade; Me; My husband, Jeffrey; and Lorelei, 4, JA. I'm a Forensic Accountant by day and also do taxes during the busy season. I recently started my own tax firm and am hoping to start taking it mostly pro bono next tax season. I joined the PTO last school year, 20'-21'. The previous coupon book committee members were leaving for various reasons and they reached out to the PTO members looking for replacements. I flagged the email, unsure of whether I should volunteer or not. After a couple weeks of it nagging at me I figured I was being called to help (I tend to make a lot of decisions this way ). I love how involved it's made me feel, especially in a year where contact has been scarce.

# Heather Damhoff

Hi, I'm Heather Damhoff! This is my first year serving as a co-chair of the Hospitality committee. I joined the PTO to get involved with our school community and serve the teachers and staff who invest their time, love and talents into our children. I have loved getting to know other parents and serving alongside people that we will spend so many years with at CAL.

My husband Tom and I have two sweet girls, Evy (6) will be starting 1st grade and Lyndon (3) will be starting PK-3 in the Junior Academy. We have another daughter on the way (due to October)! We love to travel, explore the area we live in to find new fun things to do, spend time outside and go to college sporting events. We are so blessed to be part of the CAL community and can't wait to see what God has in store for the next school year!

# Kennett Durston

Name: Kennett Durston

Years in PTO: Entering 7th (I think 🤪)

Why I joined: I wanted a way to be more involved in my kids' school

Why I love it: I enjoy serving others and I love the opportunities the PTO provides me to serve the teachers and staff at CAL.

Interesting fact: When I'm not working or serving my time is spent being a sports Uber for my kids.

Kids: Samantha, sophomore  
Nathan, 6th

# Heather Faught

This is my 1st year serving with PTO!

Last year was our first year at CAL for all of my kiddos. It was a hard year to join in some ways as it was difficult to get to know other families. I joined PTO because I want to serve where my kids are and hope to get to know more of the school community.

After being at a different school for 9 years, I was a little apprehensive of our decision to switch but we have loved CAL so much!

Interesting fact:

We are in the process of international adoption and hope to be matched very soon (maybe it already happened?!) with a little girl from Burundi (in East Africa)!

My kids are:

Micah - 15 - 10th grade

Isaac - 13- 8th grade

Silas - 11 - 6th grade

Jude - 9 - 3rd grade

Evangeline - 6 - 1st grade

# Meghan Hall

Hello my name is Meghan Hall. I have been the skating party chair for four years..I think??

I joined because I like to be involved.

I have enjoyed upping our skating party game and I love watching the kids have a blast! My husband John and I have a daughter, Tori, who will be in 5th grade this year.

# Karla Hill

Good evening. My name is Karla Hill. Our 6 year Daughter Bailey Hill is starting her second year and going into first grade at CAL. Although last year was very interesting with Covid-19, we thoroughly enjoyed our experience with CAL thus far. Last year, I was room mom and enjoyed that role quite a bit so when the PTO seat was offered, it was something that definitely caught my eye. I enjoy planning events and helping give back to the school that is doing so much for my daughter and so many other children. I look forward to my first year on the PTO and growing over the next several with CAL as my daughter grows through the school. I have attached a photo of our family, Jesse, Bailey and I all strive to lead others by examples of service to others, our community and spreading our faith.

# Elizabeth Krauss

My name is Elizabeth Krauss, and I'm the Chair of the Library Committee. I'm new to this position, as we just recently created a Library Committee. We help organize all the daily volunteers in the Elementary Library, and we help with special events like the Book Fair. I love spending time in the library, because I get the chance to connect individually with every kid. This has allowed me to get to know all of my sons' classmates so well!

My husband Kevin and I have been married for 16 years. We met while serving on active duty in the United States Air Force. I left the Air Force when our oldest was born, and Kevin continues to serve on active duty. We have two sons -- Carter is 11 and will be in sixth grade; Alex is 10 and will be in fifth grade.

We're looking forward to another great year at CAL!

# Kelly Saing

This will be my third year being Room Parent Coordinator for the Junior Academy and Elementary Schools. My husband, Jeff and I have three girls. Our oldest is Eliana and she is going into 3rd grade this year! Our second, Maliyah, will have one more year in preschool since her birthday is in November and will be joining us at CAL for the 2022-2023 school year!

My youngest, Gracelyn, was born August 5th 2020 and she keeps us very busy as you can imagine. We own Simply Thai in Middletown and we love to serve and feed our community! We have enjoyed our time with CAL and look forward to many more years to come. Thank you for having me as a committee member and a part of the PTO.

# Debra Schroering

We have 6 kids.

Next school year we will have 3 at CAL:

JP- senior, Joshua- Junior, Christina-  
Freshman.

This will be my first year on the PTO. Our kids just began at CAL two years ago. I've been amazed at the dedication the teachers have had (specifically in high school) to reaching the hearts of the kids.

I wanted to get more involved with the school as well as help serve the teachers.

# Emily Squires

I have volunteered with PTO for 5 year. My first 2 were with the elementary box top program and this will be my third year volunteering through hospitality. My husband and I have been CAL parents for 10 years. We have 2 sons at CAL-preschool and 8th grade. I am so thankful for our school and I wanted to be involved with PTO to give back with the time I have. I enjoy hospitality because I have been able to meet so many teachers and I enjoy meal planning and serving.

# Kim Woods Sturgeon

My name is Kim Woods Sturgeon and this is my third year as a member of CAL's PTO. My husband (Mark) and I have a daughter (Leelah) who is 10 and starting 5th grade at CAL. I serve on the Elementary Hospitality Committee and joined so I could be more involved and part of our great school. I spend my days working as manager for UPS and Mark is at Ford. Leelah enjoys baking, swimming, and crafts (i.e. making messes). Mark, Leelah, and I are big Disney fans and love to visit the parks. We also enjoy spending time with extended family and friends whenever possible.

# Jennifer Velander

My name is Jennifer Velander, I have been a part of the PTO on and off for 13 years, starting at Rock Creek. I have a daughter, Molly, that is a Junior. I also have a son and daughter that have graduated from CAL; Dana in 2016 and Adam in 2019. I do the high school teacher birthday gifts.
